

Anne Sullivan School  
Parent Night - **UPDATED SCHEDULE**  
August 28th, 2019

Dear Parents,

We are looking forward to seeing you next tomorrow evening for Sullivan's Parent Night. **Please note the updated schedule below, as presentation times and locations have changed.** There will not be a live administrative presentation in the gym this year due to space constraints. A recorded administrative presentation will be viewed as a part of the classroom presentations. We will have tables set up outside the LMC so you can learn about our library, music, art and PE programs, extracurricular opportunities for your child, as well as programs offered through the Prospect Heights Public Library and opportunities for you to become involved in our PTO.

Please note that due to space constraints, this evening is designed for parents only. As parking on our campus is limited, please allow time to walk from the overflow parking near MacArthur to Sullivan. We will start our 5th grade presentation promptly at 6:00 P.M. If you have questions, please contact our school office.

Sincerely,

Traci Meziere  
Principal  
Anne Sullivan School
