

Dear Parent(s)/Guardian(s):

My name is Hannah Brewster and I would like to introduce myself to you as the School Counselor at Salt Creek Intermediate School. I look forward to working with you and your child this year, and I will make every effort to see that your child receives as much personal assistance as possible.

The School Counseling program that I will be implementing here at Salt Creek is based on the social-emotional learning standards set forth by the state of Ohio and our district. It includes a variety of services for ALL students and is designed to assist with interests and issues related to the stages of student growth in the areas of academic, career, personal, emotional and social development.

I will be providing the following services this school year:

- Small group counseling sessions with parent permission, for students focusing on: study skills, friendship/social skills, anxiety/stress and anger management. If you feel that your child needs assistance in any of these areas, please be sure to let me know.
- Individual meetings to help students adjust to school or help with personal issues on an as-needed basis. If your student is needing to meet with me one-on-one, please encourage them to let their homeroom teacher know.
- Classroom guidance lessons with emphasis on self-awareness, self-management, social awareness, relationships and decision-making skills.
- Referral assistance to other programs and services in the community.

If you have any questions regarding the counseling program, please contact me directly at 740-332-4212 or email me at Hannah.brewster@loganelm.org. You can also access many helpful resources and stay up-to-date on our counseling program through my "Counselor's Corner" page on the Salt Creek webpage. I look forward to working together this year to help ensure your child's success in school and in life. We are going to have a great year!

Sincerely,
Hannah Brewster
School Counselor
Salt Creek Intermediate
