## Administration Guide Youth Forward Family Survey

## SURVEY ADMINISTRATION

- ! The 2022 Youth Forward Family Survey is part of the New Mexico Public Education Department's efforts to collect feedback from all stakeholders. It is intended for parents or guardians with children in grades K-12 attending a New Mexico public or charter school.
- ! Domains covered in the survey are: Academic Learning, Belonging and Inclusion, Culturally Relevant Instruction, Family Engagement, and Social Emotional Learning.
- ! This administration guide is to inform school leaders on the family survey requirements. A parent letter template is available with the same information provided in this guide. This letter is available in English, Spanish, and Vietnamese.
- ! The family survey is available between **April 19-May 9, 2022**, in English, Spanish, and Vietnamese through this URL: <https://tinyurl.com/yforwardfs22>.
- ! The survey can be taken through any device, including smartphones. School leaders might consider making laptops or tablets available at the school site for parents who do not have access to technology from home.
- ! The survey will take 10-15 minutes to complete. Please avoid navigating away from the survey before completing it.
- ! The survey is anonymous, and response will not be shared at the individual level with the school.
- ! For parents with more than one child in school, the survey should be taken once per child.
- ! If a response is not known or familiar, it can be skipped.
