Dear Parent or Guardian,

Each year, students in English learner programs take the ACCESS for ELLs language proficiency test. The test measures academic English language proficiency for students learning English in our school and throughout our state. This assessment is usually given in Spring, however due to the ongoing pandemic, schools were still in remote learning. New Mexico Public Education Department is giving students the opportunity to take ACCESS testing in the Fall. CCSD would like to extend this option to our families.

Please click on the link below to fill out the Google Form for 2021 ACCESS Testing:

**\*If you have more than one child, fill out the Google Form for each child.**

Teachers in our school use this information to help them make decisions about instruction for your child. Teachers also use these test scores to monitor the progress your child makes toward English proficiency.

Please contact your school if you have questions about the ACCESS for ELLs test.

We appreciate your participation in this survey.

Thank you,
