SPRING 2022 OPPORTUNITY TO LEARN DATA COLLECTION

## Administration Guide Youth Forward Classroom Teacher Survey

## SURVEY ADMINISTRATION

- ! The 2022 Youth Forward Classroom Teacher Survey is part of our efforts to collect feedback from all K-12 classroom teachers.
- ! Domains covered in the survey are: Culturally and Linguistically Responsive Instruction, Mentoring, Quality of Professional Learning Community Time Use, Relationship Skills, Responsible Decision Making, School Leadership, Schoolwide Academic Press, Self-Awareness, Self-Management, Social and Emotional Learning, and Social Awareness.
- ! The teacher survey is available between **April 19-May 9, 2022**, through this URL: <https://tinyurl.com/yforwardts22>.
- ! The survey can be taken through any device, including smartphones, though the content displays best on a computer or tablet.
- ! The survey is anonymous, and response will not be shared at the individual level with the school.
- ! Classroom teachers that work in more than one building in the district can take the survey more than once: one for each school. Once completed, survey responses cannot be changed.
- ! The survey will take 10-15 minutes to complete; please avoid navigating away from the survey before completing it.
- ! Questions can be skipped if unknown or unfamiliar.
