Re: New COVID guidance

March 2, 2022

Dear Charlotte Valley Families:

NYSDOH, in concert with the State Education Department, has ceased the requirement for masking in our schools as of March 2, 2022. We have posted the new requirements on our website that explains in greater detail the new guidance and protocols.

Masking is no longer required and is now optional unless a student is positive or has been **positive or exposed** in the previous 10 days. Masks on our school buses are not required unless a student is within the 10 day window of infection. The school will continue to contact families of an exposure of 15 minutes or greater to a student. Testing requirements are explained in the guidance posted on the website. We will continue to distribute testing materials to families that request them.

We continue to emphasize that **if your child is sick, keep them home and get them tested**. We will have **zero tolerance** for those who harass, bully or pick on students wearing masks or not wearing masks in the facility.

If you have any questions, please call the school at (607)278-5511.

Sincerely,

A handwritten signature in black ink, appearing to read "J. Harter", is written over a circular stamp. The stamp contains the text "Mr. Harter" in a bold, sans-serif font.

Mr. Harter
