staff, agents or subcontractors) (each an “authorized person”) shall be subject to a strict duty of confidentiality. Edpuzzle shall ensure that only authorized persons will have access to, and process, PII, and that such access and processing shall be limited to the extent strictly necessary to provide the contracted services.

3. DATA SECURITY

3.1. Edpuzzle shall implement and maintain reasonable and appropriate technical and organizational security measures to protect the PII with respect to data storage, privacy, from unauthorized access, alteration, disclosure, loss or destruction. Such measures include, but are not limited to:

- Pseudonymisation and encryption of PII (TLS v1.2 for all data in transit between clients and server and AES256-CBC (256-bit Advanced Encryption Standard in Cipher Block Chaining mode) for encrypting data at rest).
- Password protection.
- Ensure the ongoing confidentiality, integrity, availability and resilience of processing systems and services.
- Restore the availability and access to personal data in a timely manner in the event of a technical incident.
- Regularly test, assess and evaluate the effectiveness of technical and organizational measures ensuring the security of the processing.

3.2. In the event that PII is no longer needed for the specific purpose for which it was provided, it shall be destroyed as per best practices for data destruction using commercially reasonable care, security procedures and practices.

3.3. Upon the discovery by Edpuzzle of a breach of security that results in the unauthorized release, disclosure, or acquisition of student data, or the suspicion that such a breach may have occurred, Edpuzzle shall:

(a) promptly notify District of such incident. Edpuzzle will provide District with reasonably requested information about such security breach and status of any remediation and restoration activities; and

(b) Complaints on how breaches of Student Data are addressed shall be made to Edpuzzle's Data Protection Officer at Av. Pau Casals 16, Ppal. 2-B, 08021 Barcelona, Spain or at privacy@edpuzzle.com, as foreseen in Edpuzzle's Privacy Policy.

4. COOPERATION AND INDIVIDUALS' RIGHTS

4.1. To the extent permitted by applicable laws, Edpuzzle shall provide reasonable and timely assistance to District to enable District to respond to:

(1) any request from an individual to exercise any of its rights under applicable data protection laws and regulations; and

(2) any other correspondence, enquiry or complaint received from an individual, regulator, court or other third party in connection with the processing of Student Data.

4.2. In the event that any such communications are made directly to Edpuzzle, Edpuzzle shall instruct such individual to contact the District directly.

4.3. Parents and legal guardians shall have the right to inspect and review the complete contents of his or her child's processed personal data. Parents and legal guardians that request copies of their children's personal information shall contact District's personnel to that end. At any time, District can refuse to permit Edpuzzle to further collect personal information from its students, and can request deletion of the collected personal information by contacting Edpuzzle at privacy@edpuzzle.com.

5. THIRD-PARTY SERVICE PROVIDERS

5.1. To the extent permitted by law, and as reasonably necessary to provide the Edpuzzle Service to the District, Edpuzzle may provide access to, export, transfer, or otherwise disclose student and/or teacher data to Edpuzzle's assignees, agents and subcontractors; provided that prior to any such disclosure, the assignee, agent or subcontractor receiving data has agreed in writing to comply with data protection obligations consistent with those applicable to Edpuzzle under applicable laws and regulations.

5.2. Edpuzzle shall assess the privacy and security policies and practices of third-party service providers to ensure such third-party service providers comply with best industry standards, including, but not limited to, ISO and NIST regulations.

5.3. Edpuzzle only sends personal identifiable information to third-party services that are required to support the service and fully attend Edpuzzle's user needs.

5.4. Edpuzzle's list of third-party service providers is maintained online and may be found in Edpuzzle's Privacy Policy.

5.5. In all cases, Edpuzzle shall impose the data protection terms on any third-party service provider it appoints that at a minimum meets the requirements provided for by the Agreement.

6. DATA STORAGE

6.1. The data is stored in externalized databases that are currently being provided by MongoDB Atlas, and simultaneously hosted on Amazon Web Services in North Virginia (United States).

6.2. User-generated content (which may or not contain personal information) may be temporarily stored in other countries in order for Edpuzzle to provide a better service. Concretely, uploaded videos, audios or images may have a copy temporarily stored in other regions to reduce the time of load. This would happen if, for example, a user accessed Edpuzzle from Europe and displayed a video created by an American teacher. In such a case, a temporary copy of such media would be hosted on the European server Amazon Web Services has in that region.

7. AGREEMENT EXPIRATION AND DISPOSITION OF DATA

7.1. The Service Agreement shall expire either (a) at District's request upon proactive deletion of user accounts; or (b) in the absence of any specific request or action, after eighteen (18) months of account inactivity. Deletion of student accounts must be requested by the District's authorized representative by sending a written request at support@edpuzzle.com or privacy@edpuzzle.com.

7.2. The District will have the ability to download names, responses, results and grades obtained by students in their assignments ("Student Gradebooks") at any point prior to deletion. Except as otherwise provided in the laws, return or transfer of data, other than Student Gradebooks, to the District, shall not apply if proven to be incompatible with the Service, technically impossible or to involve a disproportionate effort for Edpuzzle. In such events, and upon written request by the District, Edpuzzle shall proceed to deletion of personally identifiable information in a manner consistent with the terms of this DSPS, unless prohibited from deletion or required to be retained under state or federal law.

7.3. Without prejudice to the foregoing, Edpuzzle may keep copies and/or backups of data as part of its disaster recovery storage system for an additional term of thirteen (13) months after termination of services, provided such data is (a) inaccessible to the public; and (b) unable to be used in the normal course of business by Edpuzzle.
