

Food Distribution List

The Charlotte Valley cafeteria is compiling a list a families who wish to receive school meals during future school closures due to COVID, should they occur. There are many variables to consider when deciding to distribute food, so if there are multiple closures, each could be different. Days and times for food distributions will be announced via robocall as they come up. The purpose of this list is to make the transition to “meals at home” quicker and more efficient. These meals are provided at no charge through an extended version of the Summer Food Service Program to any child 18 years and under.

If you would like to be added to our list to receive meals in the event of an extended COVID closure, please use the contact information below to let us know...

You may call Mica Thorsland at (607)278-5511 x8

- 2) Names of all children in household 18 years or under
- 3) Your Phone Number

- 5) If you are unable to pick up and will need food delivered

You may add or remove your name from the list at any time. If you wish to participate in this program, please contact us at your earliest convenience.
