

District use of School improvement funding

The District will use the SIG School improvement grant allocation of \$250,000 in five identified areas that provide critical improvement that align with our SCEP/DCIP plan. In consultation with our technology team, school personnel and community members these 5 areas were identified for funding. The 2 areas in alignment with SECEP and DCEP are:

1. Health and Safety and
2. Student achievement

1. Classroom Smart TV's \$66,403 (School achievement)
2. Professional Development Services \$54,609 (school achievement)
3. Security Cameras \$50,498 (Health and Safety)
4. Gymnasium Sound system \$42,795 (Student achievement and Health and Safety)
5. School Display Board \$30,753 (Health and Safety)

Public comments are welcomed at our May and June BOE meetings or contacting Mr. Harter harter.james@charlottevalley.org for more information
