Dear Charlotte Valley Community,

On behalf of the Charlotte Valley Central School District Board of Education, I am writing to share that Superintendent Eric Whipple has accepted an appointment yesterday evening as Superintendent of Cooperstown Central School District. While we are very happy for Eric and this new opportunity, we are also saddened for his departure.

Mr. Whipple has been a dedicated leader of our District and his connection to Charlotte Valley runs much deeper than his role as Superintendent. Having attended Charlotte Valley himself and now having children in our schools, he has always had a personal connection to the District. We are grateful for his time and service he has made to our District.

Eric's departure will most likely occur later this fall to early winter and he has made it clear that his commitment to Charlotte Valley will remain strong throughout the transition.

The Board of Education will now begin working with Dr. Catherine Huber, District Superintendent of ONC BOCES, to carefully plan the steps ahead and determine the process for transitioning to new leadership. We will share updates with you as they become available.

While a change in leadership is significant, we are confident in the continued dedication of the Faculty and Staff in creating a safe, caring, and strong program for our students.

We thank Eric for his service and dedication to Charlotte Valley and wish him and his family all the best in this next chapter.

Sincerely,

Mrs. Rebecca Garrison
President, Board of Education
