

Charlotte Valley Central School

*The Office of the Superintendent of Schools
Eric C. Whipple*

Following a successful school year as pre-kindergarten to 12th grade principal, Mr. Michael Waters will be leaving Charlotte Valley Central School District to serve as the high school principal at Sherburne-Earlville Central School.

Mr. Waters will remain as the principal through most of the months of July and August to help lead our summer programming and assist in the preparations for the 2022-2023 school year.

“It is truly bittersweet as I will miss the students, staff, and family members at Charlotte Valley more than they know,” Mr. Waters said. “During my short time at Charlotte Valley, I have gained numerous friendships, professional relationships and a closer understanding of the Davenport community as a whole.”

As principal, Mr. Waters has helped to lead our programming in a number of ways. He assisted leading the district out of the COVID pandemic, focused priorities on social-emotional instruction, and began to look at how to increase academic achievement.

I would like to thank Mr. Waters for his service to Charlotte Valley this past academic year and wish him well in his next position.

The CVCS Board of Education will discuss the plan to fill this position at its next meeting on July 12th.
