

**Charlotte Valley Central School District
Test to Stay**

Completing Testing	<i>School Nurse &/or other trained personnel will test students at the beginning of the school day.</i>
Procedure for Testing	<i>Students will be tested prior to the school day for days 1-5 of quarantine. 1. Per NYS guidance, students can be transported using district transportation while participating in TTS.</i>
Procedure for Obtaining PPE	<i>The district will provide staff trained to administer tests with necessary PPE if needed.</i>
Procedure for Obtaining Tests	<i>Tests will be provided by the county Department of Health, NYS, and/or BOCES. TTS and other testing is provided based on test availability.</i>
Disposal of Testing Materials	<i>All testing materials will be disposed of using red biohazard bags provided by BOCES when completed at the school.</i>
Identification of Students to Test	<i>Parents/guardians of students will be given the TTS option if their student has been exposed to COVID at school (only). Only students with parent/guardian permission may be tested. Forms are available on Family ID or in the school nurses office. The testing consent form must be completed prior to participating in TTS.</i> <ul style="list-style-type: none"> ● <i>A negative test result will allow the individual to attend school for the academic portion of the day; however, TTS does NOT extend beyond the school day to include athletics and extracurricular activities.</i> ● <i>A positive result will be reported to the county Department of Health and result in isolation.</i> ● <i>Students are permitted to ride the bus to/from school and to/from BOCES during the 5 day TTS period. Students must be seated a minimum of 3 feet from all other students and 6 feet from the driver. Students must be properly masked at all times while on the bus.</i>
Response to Positive Test	<i>If a student tests positive, they must go home. If positive at school by the school nurse, the student will be sent home and follow district protocols for a positive case.</i>
Maintenance of Records	<i>A record log of students with and without parent/guardian permission will be maintained in the office.</i>
Cleaning and Sanitizing	<i>Biohazard bags will be used to dispose of testing materials used at school.</i>
Communication to Families	<i>Results of tests as part of the TTS protocol will be shared with families by the school nurse and/or other trained staff member.</i>
