**From:** Mr. Thomas Molle, Principal of Schools  
**Date:** 9/13/2017  
**Re:** School Choice – Public Notification

---

Dear Community,

As a result of being identified during the 2015-2016 year as a Focus District/School, we are obligated by law to offer public school choice within our District.

However, as a result of Charlotte Valley Central School being the only school within the Charlotte Valley Central School District, this option is not applicable.

Thank you,

Thomas Molle, Principal
