Financial Report [\\$4577.85](#) (disbursed \$317.81 in October)

Reports:

Senior Class: Class officers are working on creating a flyer for Semi including the finalized information which includes: gym lobby entrance, 6:30-9:30 and the earliest you can leave is 9:00, cost is \$25, and it is grades 10th-12th, with ticket sales starting december 15th- january 15th. We have also decided to do the holiday door decorating this year, with talks of doing it district wide. The theme would be either holidays around the world, or holiday movies.

Art Club(Rutter): The Art Club recently finished painting Eat N Park's windows on November third. Art Club T-Shirts were printed out on November thirteenth. Monthly club meeting on November 18th to learn how to use the ceramics wheel with Ms. Kettering. There is a field trip to the STEAM Symposium on November twentieth. Also started working on a possible joint project with woodworking to help fundraise for the club.

Ski Club(Aufman): The ski club has had a couple TLTs to start the planning process for this season. Just waiting for the snow to fall or be made. Snow tubing trips will fall on Thursdays while skiing/snowboarding can be offered Monday - Wednesday. We will be using the vans this year so trips will be with a smaller number of students, but hopefully more frequent. Upcoming TLTs will cover how to dress and what to bring on the trips.

Future Homemakers(Dolton): The breakfast with Santa is now finalized with being Dec. 7th, sending out flyers next week. Just bought a grinch costume for said breakfast. Their next big event after that will be cupcake wars.

Student Secretaries (Moritz): Student secretaries just had their November dress-up day and November meeting. At the meeting they received their club shirts which they will be wearing at club pictures on the 19th. Lastly, they are working on a candle light breakfast date which will be decided in their December meeting.

Student Council: Recently went to their State Convention on November 7th-8th. Also last weekend they did a food drive at our local shop and save and Walmart. They are also

discussing possibly hosting their region b conference. In December they are going to put up the holiday tree in the main office hallway. They are also planning on going to Phipps Conservatory Center with the environmental club to see the Christmas light which will be on December 4th after school and will cost \$13.

Drama Club (Prutz): They have been working on fall play rehearsals for the past two weeks during tlt and afterschool. They are planning on having dress rehearsals with the stage crew on Tuesday November 18th after school. The play takes place this Friday November 21st at 7pm ticket price will be adults \$8 and students \$5.

Robotics (Frisco): no report

SAVE Promise (Rowe): On November 12th is national children grief awareness day. During tlt they will talk about grief and do crafts. Also helping Rost with the food drive. They are also serving boxes of food to hand out to families during thanksgiving. On November 19th and 20th is international day the esl students are planning on hosting it and will talk about their culture. They are also working on restocking the food closet.

Stage Crew (Kocher): Starting rehearsal for the fall play. Helping with the band concert which is on December 3rd. Also helping with the chorus concert which is on December 17th which is with the middle school and high school students.

TLC: Powderpuff is happening on November 25th and instead of jerseys the junior and seniors are getting t-shirts and sweatpants. The Juniors and Seniors have started practice during TLT and after school. They are also wrapping up on mathgiving with the middle school kids and elementary. The food drive is collecting boxes this Friday November 21st.

Environmental Club (O'lane): Monthly creek testing. Planning on going to Phipps Conservatory after school on December 4th for the Holiday show.

GSA (Gierling/ Inglis): A Thanksgiving party this Thursday (Nov 20). Continuing to have meetings every Thursday 6A and 6C. Planning a Christmas party after-school.

Interact (Cherepko): Helping Mr. Rost with the food drive.

Key (Dolton): Pop tap wars in January for Ronald McDonald's house, trying to organize it district wide. Finalizing the fundraiser in December for prizes.

Titan TV (Frisco): Interviewing all the athletes of winter sports, and usual morning announcements.

ROTC: Movie night on Dec. 11– Dodgeball/volleyball in the gym and movie screening in the ROTC room. Picture day on Dec. 9 We had many volunteers at the Sensory Friendly Halloween event.

Spanish Club (Phillips): Met after school on September 24, 2025. During that meeting officers were selected and goals for the year were discussed. We had "Snacks and Selfies". October 29th- Celebrated Hispanic Heritage month by playing cultural trivia game and having pizza. Also, we discussed taking a field trip in the spring to see Hispanic dancers and musicians

NHS: Ready for a meeting November 20th to discuss dues, Santa letters, and toy drives. Santa letters will be December 12th t1ts A, B, and C with hot chocolate and a movie as a NHS get together, while also contributing to the elementary schools.

Future Teachers (Conley): They helped plan and prepare for the sensory table and worked the spooky cafe for the Tri-m halloween concert night. The kids also went and did the titan cyber academy halloween party. Lastly they helped at Mathgiving around the elementary school. Preparing to write out Santa letters to elementary school before holiday break.

SADD (Tonini): With the money they raised from candy grams, they are now working with a foster care gift drive, at Westminster Presbyterian Church. They are also looking for any clubs that would like to make a monetary donation to help them fulfill their Christmas lists, or any teachers that would like to personally donate.

Tech Ed (Gambino): Discussed making for club for fundraiser snowman and Christmas tree fundraiser for school store - partnering with art club. Meeting during TLT; discussing and preparing for orders of snowmen and Christmas Trees.

Junior Class: We are looking to plan a trip to go ice skating downtown during the school day on Dec.18th.

Graphics (Mann): We are finishing mugs and making a holiday shirt.

Pep Club (Rost/Mann): Getting ready to make signs for winter sports

Yearbook (Bradley): Yearbook club is continuing to compile the yearbook and collect photos

Esports (Getz): 2 Fortnite teams finished up the fall regular season in the PSEL.. Both teams made playoffs which will start on November 20th. The clubs first newsletter was issued on 11/17 and is available on all of the clubs social media outlets and the district website. Students that participated in the "Make your mark" ceiling tile project can pick up their tiles in B120 to take home and decorate. 2 teams are participating in the PSEL minecraft build challenge on 11/10-12/19.

Pop Culture Club (Kudla): Have their regular meeting and video games after school on 11/18. They are having a friendsgiving on 11/25 which will be open to anyone.

Science Club (Cap): Making silver dust from copper wire

Sophomore Class: We are making class t-shirts and are looking at dates to go ice skating after winter keystone exams.

Chess Club (Kunkle): Current membership: 40 TLT schedule - Tuesday and Thursday A-C members only Wednesday A-C open play. Club shirts rec'd today 11/19 - unfortunately not in time for club picture. In-house tournament begins in December

Photography (Frisco):

We have been helping other departments and clubs with picture taking and filming for monthly theme videos. We have scheduled the Freshmen Elections to film and are scheduled to take photos for the PreK Santa Day. We are also participating in the December Holiday Lights contest. Exciting news is the Pittsburgh Photography group has asked us to join in with them for their monthly city photography tours.

Drone Club-

The Drone Club has been setting up a new and much more difficult course to fly within the room. Many of the club members have been there during TLT6A making the obstacles and hanging tunnels. They will be holding TLT and after school sessions for anyone who wants to fly the course. Starting in January they will be offering a monthly prize (TShirt) for the fastest flyer through the course. The club is also designing a new 75mm model to compete locally in Homestead and other race courses.

Outdoors Club-

The Outdoors Club is taking last year's poster designs to a whole new level this year. Instead of just infographics to show outdoor instructions; we are 3D Printing a center to learn to tie knots hands on. The center will consist of paracord ropes attached to a mount and have 3D printed J's (Hook Replicas) to practice with. The Hands on Center will come with an infographic of instructions so students and the public can follow and learn to tie knots.

Tri M (Prutz): The Halloween Concert went very well for Tri-M, we had lots of volunteers and a large audience. We have concerts coming up in December that students will volunteer at and we will begin to prep with the Letters to Santa

PBIS (O'Lare): World Kindness day was 11/13 so they made kindness clothespins to pin on others around the school. They also have been having Cultural Exploration Days for students during TLT's.

Next Meeting: January 21, 2026

On November 18, we're hosting a session on **Student School Board Representatives and student advocacy**. We'll be featuring speakers from the Pennsylvania School Board Association (PSBA) and a student panel will join us for a Q&A. Even if you're not currently a rep on your school board, the information provided is highly useful for your districts and for yourselves when advocating for issues at a local level.

We hope you join us on Tuesday, November 18 at 7:00 pm. Please make sure to bring a few friends---all are welcome!

Here's the meeting link: meet.google.com/ehq-nrdz-jwx

Please fill out [this form](#) to indicate if you plan to attend (and if you plan on bringing a few others!).
