THE TOURNAMENT TEAMS

The High School Show Choir was very busy during the holiday season entertaining residents at six local personal care homes. The students spread holiday cheer by singing and dancing to many holiday favorites. The students were also invited to perform at the Duquesne Women's Club Christmas Party.

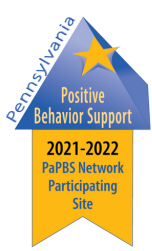

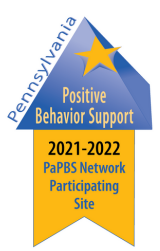

This year Student Council members at the high school, along with NHS, Future Teachers, and Tri-M wrote personalized letters from Santa to each elementary student (K-3) in the district. These high school students definitely found themselves in the holiday spirit as they completed nearly 650 letters. In addition to their personalized letter each student also received a winter coloring book.
