

## Summer Elementary Track 2023

It is that time of year again. That time that all of your little ones look forward to all year. That's right! It is time for our Logan Elm Elementary Track (*Not just open to students of Logan Elm*). This year we will be trying a different schedule in hopes of maximizing kids' participation before we all get into summer vacations, fairs, reunions, etc.

We will have our practices at Logan Elm High School's Track (*free of charge*), from 9:00-@10:15, on Tuesday, May 30th, Thursday, June 1st, Tuesday, June 6th, and Thursday, June 8th. We will then have our track meet on Saturday June 10th from 9:00-@12:00. The cost of the track meet will be \$20.00 per athlete and they may choose from however many events they want to do from the shot-put, long jump, 100, 200, 400, 800, and 1600, followed by a fun 4x100 relay with their friends regardless of age or gender.

All athletes need to bring is themselves, water, a great attitude, an eagerness to listen, learn, and attempt.

Who is this for? All kids entering 7th grade and below. It is a fun experience for the kids and a chance for them to try a sport that is not readily available to them. It is run/supervised by several high school teachers and coaches, but the actual leaders and teachers are many of our high school athletes who love to see the smiles on the kids' faces as they try the events that our high schoolers have come to love.

Due to construction and demolition, we ask that all people use the track entrance furthest from the road and closest to the softball field.

Please feel free to bring your kids out and let them enjoy the experience of Track & Field.
