

How to support the Class of 2027 Fundraiser

1. Go to <https://goodcleanfundraising.com/order/>
2. Click “Buy” next to the products you would like to purchase. If you would like multiple buckets of the same product, click “Buy” as many times as needed.
 - You can also change the quantity when you view your cart, but be sure to click “Update cart” after you change the quantity.
3. When you have finished selecting your products, click “View Cart”.
4. Verify your order, and click “Proceed to checkout”.
5. Fill in your information. Be sure to type in “Marion Local High School” for the group name, and type the student’s name under salesperson!
6. Under your information, you will see a summary of your order.
7. Fill out your payment information and click “Place Order”.

It’s that easy! Orders should arrive sometime within the first two weeks of October. Your student will pick up your order and deliver it to you!
