PELHAM HIGH FALL SPORTS RECAP:

The following 5 PHS Senior Student/Athletes Have made commitments to continue their sport in college next year. They are:

Conor Maslanek - Wrestling at D1 Campbell University
Madi Robito - Field Hockey at the University of New England
Maria Dagher - Volleyball at Rivier University
Maddie Curran - Soccer at Rivier University
Alex Pedi - Baseball at Southern Maine University

And that's just so far this year. I'm sure we have many more to come. A huge congratulations to Conor Maslanek when he signs his National Letter of Intent on Wed., November 11 to attend national powerhouse Campbell University in North Carolina.

FINAL MESSAGE FROM THE ATHLETIC DIRECTOR

Overall as we wrap up a successful and safe fall sports season, I'd like to personally thank all of the athletes, their families and our coaches for making this tremendously challenging season work out so well. The patience, perseverance and compassion that everyone in our Pelham Community demonstrated was awesome to experience. I am very proud to call myself a Python! Now we look ahead to the winter months. There will be new challenges and stricter guidelines and protocols in place. We will have to continue to work together and make the necessary sacrifices to keep our teams healthy and safe. I know we can do this Python Nation. "Let's GOOOOO"

With Respect and Gratitude,

Todd Kress

PHS ART DEPARTMENT

The PHS Art Department continues to create masterpieces outside of the class during our short time remote. Drawing and Painting 2 students brought home their supplies, set up their at home studio spaces, and still worked together as a class on their projects. They are currently working on a project that puts emphasis on negative space, implied line and attention to background. These students always prove that they are up for the challenge to make art anywhere!
