Principal's Note

REFLECTING ON THE '21-'22 SCHOOL YEAR

Dear Families,

As we plan our end of the year celebrations, we reflect on all of our successes. As a school community we effectively implemented mitigation strategies to combat Covid-19 and managed to return to in-person learning for all students. We can celebrate the fact that we managed to keep each other safe and healthy.

We celebrate all of the social emotional and academic progress our students have made. Our students have learned to be kind to self, kind to others, and kind to the environment this year. They have forged friendships that we hope they will bring into the summer and next school year. Our students have shown mastery of countless ELA, Math, Science, and Social Studies standards. As our students embark on end of year diagnostic testing, we are eager to celebrate their academic progress. Next year, we aim to offer our students more opportunities to explore their interests and passions by expanding our arts program and after school club offerings.

We celebrate our partnership with our families as evidenced by Class Dojo interactions, phone calls, meetings, family engagement events, and PTO membership. We are grateful for your support of your child this year, and we plan to offer more opportunities for our families to engage with us next year. Together, our staff, families, and community will continue to be an unstoppable force in service of our students.

We are One | Somos Uno

Sincerely,
Jessica Dugan, Principal

Summer Programming

GRADES Preschool through Grade 8

Camp hours are from 9:00 AM to 1:00 PM

Camp Invention provides fun, open-ended Science, Technology, Engineering, and Math (STEM) activities to develop your child's problem-solving power and make their creative mark on the world.

FREE Field Trips/Activities on Fridays, including a healthy lifestyle/sports clinic from the Cleveland CAVS! *Summer Camp for students from preschool through 5th grade will be held at four elementary buildings - Frank Jacinto, Larkmoor, Palm, and Washington. Summer Camp for students grades six through 8 will be held at the high school.*

June 13 - June 24

Schoolwide Expectations

WASHINGTON STUDENTS ARE:

KIND TO SELF

KIND TO OTHERS

KIND TO THE ENVIRONMENT

DEMONSTRATE KINDNESS AND
EARN "TITAN OF THE MONTH"
