PREPARING FOR CAREER AND COMMUNITY DAY

Dear Families,

On April 19, 2023 we will hold a Career and Community Day event. The purpose of Career Day is to expose students to a variety of careers in order to jumpstart their thinking about the future. By preparing early, students will be more likely to be college and career ready after high school graduation.

Students in grades PreK-5 will participate in Career Day. However, we can't do it without you! We need volunteers to speak to our classes during the school day about their career. If you, a family member, or friend is interested in volunteering to speak about a career, please complete the [form](#) linked here by Friday, March 24, 2023.

Volunteer selection will be on a first-come basis. Bringing stress balls, pencils, or other work-related freebies for our students is encouraged. If you have any questions, please feel free to contact us at jdugan@loraincsd.org or 440-830-4210. With your help, we look forward to having an engaging Career Day!

After school on April 19, 2023 we have invited community partners to come to Washington. We anticipate having a Lorain Police Department car, a Lorain Fire Department truck, and other vehicles as well. We will serve food and have giveaways. If you know of community organizations that would be interested in participating, please let us know.

Sincerely,

Jessica Dugan
Principal
