LCCC Program Spotlight

Every month we will spotlight a different fast-track program at LCCC. Some programs can be completed in 16 weeks or less and all programs can lead to amazing career opportunities.

Real Estate (Completed in one Semester)

The Real Estate courses at LCCC will prepare students to complete the Ohio Real Estate Sales Exam. Four courses need to be completed to sit for the exam. These courses can be completed one at a time or all at once in one semester. Students can also continue on for additional certificates and degrees in the area or Real Estate.
