**21-R-165 REPORTS AND RECOMMENDATIONS OF THE CEO-PERSONNEL MATTERS- 11.01-11.16**

Brief update on the district's strategic plan. \*\*See the district's website for all updates.

Michael Scott stated that the leadership teams are working equity. Mr. Scott stated that equipping the staff with equity so that they can take that to a building level is the goal. Mr. Scott stated that the next session will take place on November 2, 2021, at the next professional development day. Mr. Scott stated that equity is access, and that all staff and students have the same access.

Mr. May asked Mr. Ohle to give an update on the curriculum & Scope and Sequence. \*\*See attached document

Mr. Scott stated that no matter what side of town the students are on they will have the same resources available to be successful.

Mr. Scott stated that he is happy with the collaboration that is happening. He stated that processes and products will continue to be added.

Mr. Williams stated asked for clarity.

Mr. Scott stated that the state has standards. Mr. Scott stated that how the district goes about giving the resources and time to each student needs to be the same from building to building.

Mr. May stated that they are going to take a look at how they are representing the information.

Linda Coad, Student Services Director gave an update on the intentional design. She stated that it's about using our assets and resources better, so that children are in the general education setting vs. being pulled out. Ms. Coad stated that Garfield elementary is currently doing a great job of providing space within the classrooms so that our Special Ed students aren't being pulled out as often.

Ms. Nazario asked if this would be used as a pacing guide district wide.

Mr. May stated yes that is the intention.

Dr. Graham stated that the same demographics should be seen, throughout. Dr. Graham stated that there will be a potential cost. But he feels that other costs could be streamlined that may not be needed anymore.

Mr. May stated that the hope is we will be proactive instead of reactive.

Mr. Scott said they are trying to make things easier so that all the data can be analyzed more easily.

Mr. May talked about action Step 9 is how to help bridge the students between their junior and senior year. Focusing on the four areas: 1) are the employed, 2) are they enrolled in post secondary 3) are they enrolled in the military and 4) in an apprenticeship.

Mr. May stated that the district is working to put together a next step fair, so that resources are available to our current and former students after graduation.

Dr. Graham stated that we don't wash our hands of our students when they graduate, but the goal is to continue to check on them years later to see where they are and where we, as a district can be more of a service.

Dr. Graham stated that the plan was submitted to the state, to get us out of HB70. He was told the district will hopefully hear back from them by the end of the week.

Dr. Graham recommended to the board, to increase the district's substitute teacher rates. He stated that many districts are having issues finding subs. Dr. Graham hopes that the community sees this is a need for our children and district.
