Principal's Note

FUN FEBRUARY

Dear Families,

February may be the shortest month of the year, but there is a lot happening. During February we celebrate Black History Month. Beyond what students will learn in their classrooms about the triumphs and struggles of African Americans throughout U.S. History, students will learn about a famous figure in history every morning during our announcements. Ask your child who they learned about when they get home from school. In addition, we are planning a Black History Month assembly and invite families to join us.

We are in the process of planning a Friendship Spirit Week to begin February 13th. A flyer will go out with more details. February 17th is Random Acts of Kindness Day. We encourage all families to participate by doing something kind and discussing how it made you feel.

We are looking forward to our second round of Parent/Teacher Conferences scheduled for February 16th. Look for more information from your child's teacher regarding scheduling.

We are also looking forward to the 100th Day of School, a PTO Neon Dance, a celebration of students who have no more than one absence and tardy during the months of January and February, and the kickoff of Stomper's Reading Club. We are also highlighting the Titan of the Month character trait of loyalty.

Thank you for your continued partnership. As always if you have any questions, concerns, feedback, or requests please reach out to the office at 440-830-4210.

Sincerely,

Jessica Dugan
Principal

Mar. 2	SUTQ Day - No School for PreK

Titan UP! Attendance: You Belong Here

Did you know that attendance matters every day? Every teacher, staff member, and leader in this community has one message for our students and families: YOU BELONG HERE!

Our new attendance campaign, "Titan Up! Attendance: You Belong Here," is built to be a partnership between Washington and our community because, frankly, we want to see even more of your children in our building every single day. When our students are in school and on time every day, they benefit from better grades, increase their chances of graduating, and increase their chances of going on to college and careers.

You can expect Friday robocalls from Mrs. Dugan and Mr. Holland featuring the "Weekly Attendance Winners" or the class with the highest attendance percentage for the week, our school's attendance percentage for the week, our attendance incentives, and all the things that make coming to school everyday fun and important.
