

## Final Exam Schedule and Information May 2022

Please review the schedule and important information for final exams this year. There will not be any type of open campus option during exams this semester.

Thursday (5/19) and Friday (5/20) are scheduled full days for students. They are expected to be at school during normal school hours. Attendance will be taken in all bells.

Monday (5/23) & Tuesday (5/24) students will be released at 10:54. Students are expected to be present for any scheduled class during this time. They must stay for the entire exam time. Students will not be released early if they finish an exam prior to the end of that bell.

Students who took a class with an Ohio State Test in April (English II, Algebra I, Geometry, US History, US Government, and Biology) can be exempted from their final exam if they have a 70% average or better for the second semester. Students who took an AP Exam are also exempted from the final exam in that class.

Final exams cannot be administered early; students needing to make-up a final exam can do so beginning on Tuesday 5/31. The Summer Office Hours are 7:30 AM - 3:00 PM.

If students have a full 8th bell, then they will take their exam on Tue 5/24. The time they will have in 8th bell on Fri 5/20 should be used for review.

Any blended/remote students may stay remote on the exam days starting on Thurs 5/19.

The Butler Tech Shuttle between Colerain and Northwest will not run on Friday 5/20 or Tuesday 5/24 as students will not need to travel between buildings.
