

Greetings Northwest High School Families--

Welcome to the 2021-2022 school year! I am very excited to start the year, and to see all of our students back in person walking the halls once again. The past two years have been filled with many challenges and numerous changes; however, we have taken this opportunity to make changes to better support our students and staff. Our students are expected to come to school each day prepared to learn and to be actively involved in their own success, and we invite you as family members to partner with us on the journey to graduation.

As we return to full in-person learning, we are switching to an A/B schedule where your student's classes will meet every other day. We will have Blue Days, where Bells 1- 4 will meet, and Gold Days, where Bells 5 - 8 will meet. A complete bell schedule and calendar of Blue Days and Gold Days can be found on the school website under the "Bell Schedules 2021-2022" tab.

We would love to have you as an active partner in your student's experience at Northwest High School. There are many opportunities to get involved, especially within the PTSA and the Northwest Boosters.

As always, please feel free to reach out to your student's teachers, guidance counselor, administrator, or me if we can help with any questions or concerns throughout the school year.

Thank you and best wishes on a great 2021-2022 school year!
