

Adopt A Senior (That's YOU!)

Seniors,

We have created a Facebook page specifically designed with YOU in mind. We know that this year has certainly looked different from what you hoped or expected and we would like to acknowledge you on this huge accomplishment of finishing up your high school career!

Here's how it works:

- 1) Log in to Facebook and search for "Adopt A Senior - Northwest High School".
- 2) Make a post about yourself along with a picture or two telling the community what your plans are after graduation and about things that you like.

We'll take it from there! Parents and community members will 'adopt' you and will deliver you a basket of goodies and offer you some encouragement for this next phase of life.

It's that simple! Don't be shy! We have lots of people who want to recognize YOU!

Don't have a Facebook account? No problem! Send your information to Kathy Ackermann and she can make the post for you. Bottom line, we want to recognize EVERY SINGLE senior and we need your help to do this!

Your information can be sent to Kathy Ackermann via e-mail at pkackermann@fuse.net
