## Guide to Graduation 2022

Dear Northwest High School Families--

As our school year draws to a close, let me take this opportunity to congratulate you and your student on a great senior year. Throughout this school year, I have been impressed with the pride and leadership of the Class of 2022. I appreciate everything they have done to leave their mark on our school, and I wish them the best as they move on to all of the challenges and opportunities that life has in store for them.

Please read all of this information carefully; this packet has been designed to help answer some of the questions that will come up over the next few months. It contains information about Senior Honors Night, Baccalaureate, Commencement Practice and Commencement 2022. It also provides information about graduation requirements, the commencement program, attire for the ceremony, cap and gown details, diploma pick-up and other essential information. We will continue to publish information electronically, and the Class of 2022 tab on our school website will be a convenient one-stop location for all information: <https://www.nwlsd.org/NWHSClassof2022.aspx>.

I am sure these last weeks of school will be a time of excitement and celebration for your student and your family. We hope this information will help you plan for upcoming events and will reduce the stress that can come in times of transition.

On behalf of the faculty and staff of Northwest High School, let me again express how proud we are of the Class of 2022 and thank you for your support. In so many ways, their success is your success. These young men and women have made a difference in their time here at Northwest High School, and they will be missed. Once again, our congratulations to you and your family!

I am always available for questions or concerns you have; please feel free to contact me.

Jeans, shorts, and gym shoes are not permitted.
- The only stoles permitted to be worn are those issued by National Honor Society and Butler Tech. No exceptions. It is inappropriate to wear anything on the gown, such as a corsage or pin.

- A professional photographer will be on hand to take pictures as students cross the stage and again while holding their diplomas as they exit the stage. Information about obtaining copies of the pictures will be mailed to your students by LifeTouch and information will be available in the graduation program.

### **Expectations for the ceremony:**

- **Gates will close at 11:30 AM (30 minutes after the ceremony has started) and no other guests will be permitted to enter after this time so as not to disrupt the ceremony.**
- The Northwest High School Commencement is a formal ceremony and should be conducted with dignity and respect. Because the ceremony involves over 200 students, certain standards have been established to ensure that all of the graduates' names are heard clearly as all students have work to earn the privilege to graduate. Parents and guests are reminded that out of respect for our graduates, anything that detracts from the dignity of the ceremony will not be permitted.
- Graduation from high school is a dignified event to be shared by family and friends. Please read the following guidelines and adhere to them during the ceremony; they are designed to ensure that EVERY family is able to hear graduates' name when they are announced:

Please hold applause for graduates until all students in that advisory have been named. The advisors will say "thank you" at the end of their list of names to indicate when to applaud. This will be about every 12 students' names.

**Noisemakers (such as air-horns, whistles, etc.) along with excessive screaming or shouting will NOT be permitted before, during or after the ceremony. Any guest or graduate participating in such an activity will be subject to removal from the stadium.**

**Balloons, signs/posters, and confetti or any other items that are distracting or block the view of guests are also not permitted.**
