- Applications will be available in April so listen for more information on how to apply after spring break.

How to Request a PE WAIVER - 9610?

- Students request PE Waivers annually during scheduling
- Request it like a class. Add PE Waiver - **9610** to your list of course requests
- Request **AFTER YOUR SEASONS ARE DONE**
- **This only needs to be completed ONCE during HS**

STOP - Check your transcript. Is PE Waiver already listed? If so, you do NOT complete this step again. This only needs to be completed ONCE during your 4 years of HS.

How to Earn a PE Waiver

- You must complete 2 seasons of a high school sport or marching band in order to waive the graduation requirement of completing a half credit (.5) of PE
- It does not have to be the same sport
- You can use one season of a sport and one season of marching band
- You may not combine one sport and complete a quarter credit (.25) of PE to earn the waiver
- If a student earns a waiver, they must complete an additional half (.5) credit of an elective of their choice, totaling 5 ele. credits

Students Planning to Attend CVCC

- You will ONLY have 3 periods at NHS next year: 5th, 6th, and 7th
- You will be at CVCC in the morning and return around 11:30am
- Complete your scheduling worksheet as though you were admitted into your **FIRST CHOICE program**
- You will find out towards the end of March whether or not you were placed into a CVCC program and we can revise your schedule if needed at that point
- Some programs have an academic course taken at CVCC, which opens up a spot at NHS

Junior Year Recommended Courses

CVCC 1st-3rd

5th: Algebra II or Equivalent

6th: English 11

7th: Gov (sem)/SS Elective (sem)

Senior Year Recommended Courses

1st: 4th math

2nd: English 12

3rd: 3rd science (Env. or Chem.)

CVCC 5th-7th

****Remember we MUST to complete Personal Finance online this summer in order to attend & have your schedule work!**

SPECIAL SCHEDULING CONSIDERATIONS

CVCC Students

- If you are interested in CVCC, you should plan your schedule as if you got into your desired program and then add the required courses (typically English, Math, & Social Studies) at NHS.
- If your CVCC program includes an English course at CVCC, you should then request an elective credit in your NHS schedule.

CCP Students

- Schedule as if you will be here at NHS full-time
- Students should meet with Mrs. Ross to discuss CCP classes
- **Once you turn in your CCP schedule to Mrs. Ross, your schedule will be changed accordingly**

Online Summer School Options

- If you fail any of your academic courses, it is **strongly recommended** that you recover the credit over the summer.
- Students have the opportunity to register for online credit recovery. (Fee required)
- Please see your school counselor for further information.
- More details will be sent to all students in May.
- The only courses available for first time original credit will be: Health, PE, and Financial Literacy. (Fee Required)

Diploma with Honors

- 5 options for Honors Diplomas.
- If your goal is to earn one, be aware of requirements and schedule credits/courses accordingly.
- Students can earn one of the Diploma with Honors options.
- Students must meet all but one of the criteria for the diploma, linked to the right.
- For more detailed information, click one of the links to the right 

What are Honors Diplomas?

High school students can gain state recognition for exceeding Ohio's graduation requirements through an honors diploma. To meet honors diploma requirements, students challenge themselves by taking and succeeding at high-level coursework and in real-world experiences.

Ohio students have the opportunity to choose to pursue one of the honors diplomas:

1. [Academic Honors Diploma](#)
2. [Career Tech Honors Diploma](#)
3. [STEM Honors Diploma](#)
4. [Arts Honors Diploma](#)
5. [Social Science and Civic Engagement Honors Diploma](#)

Advanced Placement (AP)

- REQUIRED to take the AP exams given at Nordonia High School in May.
- COLLEGE CREDIT may be granted upon successful completion of these exams. The college which the student attends awards credit. Check with your individual college on its credit granting policies.
- Cost is approximately \$98 per test and \$146 for AP Seminar and AP Research.

College Credit Plus (CCP)

- Permits college-ready students who qualify for college admission and receive state funding to participate.
- Interested students and their parents should attend a presentation every school year and at minimum, meet with their school counselor to discuss the program requirements.
- Students must declare intent and inform the High School Counseling Department by MARCH 25th their intent to participate in the College Credit Plus program.
- Fill out Course Request Google Form as though you will be at NHS all day for courses. We will make changes as you select CCP courses.
- Detailed information is available on the Support Services Website.
