

# College Credit Plus Information Night

January 8, 2026

7 pm - 8 pm

**NORDONIA HILLS**  
CITY SCHOOL DISTRICT

## **Virtual Participation Reminders**

- This CCP Information Night Meeting is being recorded.
- Please keep your microphone muted unless speaking
- Use the chat feature to submit questions
- Questions will be addressed at designated times
- Slides and resources will be shared after the session

## **Accessibility & Support**

- Live captions are available; please enable them in your meeting controls
- This session may be recorded for families unable to attend live
- If you require an accommodation or follow-up support, please contact your school counselor or the district after the session

# Program Agenda

**College Introductions and Information:** Dr. Shon Smith

**College Credit Plus at Nardon High School:** Mrs. Kathy Sandberg

**Dual Enrollment at NHS (CCP Courses at High School)**

College Composition I (Stark State)

College Composition II (Stark State)

**Advanced Placement Options at NHS**

AP Basics and AP Courses at the High School

**College Credit Plus Presentation**

Greg Dieringer, The University of Akron

Richard Larkin, Cuyahoga Community College

Robyn Marruto, Kent State University, Geauga

**NORDONIA HILLS**  
CITY SCHOOL DISTRICT

# What is College Credit Plus?

---

## **College Credit Plus is Ohio's dual credit program**

- ❖ Students can earn high school and college credit at the same time
- ❖ Ohio residents in grades 7-12; enrolled at a public/private high school or homeschooled
- ❖ Take a variety of courses at any public and participating private college in Ohio
- ❖ Courses held at the high school, on a college campus, or online

# How can students participate?

---

## Step 1: Eligibility

- ❖ A student is eligible for the College Credit Plus program if the student meets any of the following criteria:
  - ❖ Obtains a remediation-free score on one of the standard assessment exams
  - ❖ Has a cumulative unweighted high school grade point average of at least 3.00
  - ❖ Has a cumulative unweighted high school grade point average of at least 2.75 but less than 3.00 and received an "A" or "B" grade in a relevant high school course.

# Nordonia Counseling Department

## **NHS School Counselors**

Mrs. Staci Ross: Grade 12

Mrs. Kathy Sandberg: Grade 11

Mr. Anthony Rock: Grade 10

Mrs. Nicole Seward: Grade 9

## **NMS School Counselor**

Mrs. Martina Kwolek: Grades 7-8

## **Lee Eaton School Counselor**

Ms. Danielle Ricchino: Grades 6

# College Credit Plus at NHS

Mrs. Kathy Sandberg, Nordonia High School

# NHS CCP Resources and Forms

[NHS Support Services Website](#): CCP Resources and Forms are housed here.

1. [CCP Steps to Take: 2026 - 2027](#)
2. [Required CCP Letter of Intent / Parent Acknowledgement/ Transcript Request:](#)

**Due March 27, 2026**

3. Meet with your School Counselor

## 4. CCP Intent to Participate

### Form

**NORDONIA HILLS**  
CITY SCHOOL DISTRICT

#### INTENT TO PARTICIPATE IN COLLEGE CREDIT PLUS

PUBLIC SCHOOLS

Please Indicate the Academic Year for which this Intent Form is for:	
School Name	
Student Name	
Student Grade Level/Next Year	
Parent/Guardian Name	
Home Address	
Parent Phone Number	
Parent Email Address	
Student Phone Number	
Student Email Address	

Selected Date of Submission	<input type="checkbox"/> April 1 <sup>st</sup> (For the upcoming Academic Year) <input type="checkbox"/> November 1 <sup>st</sup> (For the next semester or term only)  <i>Any student who provides notification by the first day of April may be approved to participate in the program for the next full school year. Any student who provides notification by the first day of November may be approved to participate in the program for the next semester or term only. Any student who fails to provide the notification by the required date may not participate in the program in the next semester or term without the written consent of the principal, or equivalent.</i>
-----------------------------	-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

#### DECLARATION OF INTENT

I would like to declare my intent to participate in the College Credit Plus program. I understand that signing this form does not require that I participate during the upcoming school year or the next semester or term, and I may decide not to participate without consequence.

I also understand that it is my responsibility to notify my school if I do not gain admission to my selected institution of higher education or choose not to participate in the program.

In addition, I certify that I have received counseling about the College Credit Plus program concerning the rules and regulations for both my school and the college, and that I understand my responsibilities, the benefits and possible risks of participating in the College Credit Plus program.

Please sign and return this form to the secondary school by the deadline period selected above.

Parent Signature: \_\_\_\_\_ Date: \_\_\_\_\_

Student Signature: \_\_\_\_\_ Date: \_\_\_\_\_

# CCP Steps to Take: 2026 - 2027

## Follow These Steps

1. Identify College/University
2. Complete CCP Application for college
3. Fill out CCP Letter of Intent/ Parent Acknowledgement / Transcript Google Form - **REQUIRED**
4. Meet with your school counselor
5. Pay Attention to Deadlines

# **CCP Letter of Intent/ Parent Acknowledgement / Transcript Google Form**

1. **Intent to Participate:** Shows your intent to participate in CCP
2. **Student/Parent Acknowledgement**
  - a. Acknowledges you have received information on the topics discussed
  - b. Acknowledges you understand your responsibilities during the process
3. **Transcript Request:** NHS Student Services Office will send your transcript to the colleges you have applied

# Meet with School Counselor

- Discuss Graduation Requirements
- Discuss Future Goals
- Check Credits for Eligibility
- Check TOTAL CREDITS
  - Cannot go over 30 credits or families incur cost
  - Credits start with Summer Semester
- THIS MUST HAPPEN EACH SEMESTER

# General CCP Information

**\*Graduation Requirements**

**\*Scheduling**

**\*CCP Pathways**

**\*Academic Credit: From CCP to Nordonia Schools**

**\*Weighted Grades - Courses taken through CCP will be given the same weight as the highest advanced course in the same subject area as the high school course.**

**\*Failure or Withdrawal (after 14 days) from CCP Course(s), the family assumes all financial responsibility**

**\*Extracurricular Activities and Athletics**

**\*Counseling Services**

**\*Procedures for Obtaining and Returning Textbooks**

**\*Steps to Follow**

**\*Maximum Course Load - 30 hours total per year (combination of college and HS courses-converted to college hours and added together)**

**\*Mature Content-The subject matter of a course may include mature content matter.**

**\*Courses - May take any course in the college catalog that is NOT remedial and that applies toward a degree or professional certificate in a subject area in which you are college-ready.**

**Be Intentional with your CCP Selections. Use the transfer rules to check on colleges of interest to confirm your classes will transfer.**

# Textbook Rentals

**It is important to read the CCP packet for directions on accessing textbooks for classes. Please follow the district's directions to obtain the required textbooks.**

Textbooks for ALL CCP courses will be on loan from the school district for the semester.

All purchases outside of the CAMPUS BOOKSTORE must be pre-approved and discussed with the Department of Curriculum and Instruction.

Books not returned or in poor condition may result in fees on the student account.

# **Dual Enrollment Options for Seniors at NHS**

**NORDONIA HILLS**  
CITY SCHOOL DISTRICT

# **College Composition I**

# **College Composition II**

- Dual Enrollment/CCP classes at NHS that fit in to students' schedules during senior year
- Adheres to College Credit Plus (CCP) rules
- Taught by NHS Staff through Stark State at NHS
- Separate application packet with procedures given out during scheduling
- **MUST** meet ALL admission criteria set forth by the admitting college

# **Advanced Placement (AP) at Nordonia High School**

**NORDONIA HILLS**  
CITY SCHOOL DISTRICT

# Advanced Placement (AP) at NHS

- Courses are college-level courses offered in high school that help students acquire the skills and habits needed to be successful in college.
- Application/Enrollment Process: receive recommendations from current teachers, check AP Potential results from PSAT in your College Board account. Submit AP course requests during scheduling.
- All students enrolled in an AP course are required to take an the AP exam in May. Current cost is approximately \$99 per exam.
- A score of 3 or higher on an AP exam can typically earn students college credit and/or placement into advanced courses in college.  
<https://apstudent.collegeboard.org/creditandplacement/search-credit-policies>
- AP information: [apstudent.collegeboard.org](https://apstudent.collegeboard.org)

# AP vs. CCP

## General Advice:

If you think you will attend...

- Akron/Kent/Tri C or another state college in Ohio.
  - \* **CCP**
  - \* Why? Credits should transfer easily.
  
- Out-of-state, in-state selective college (private or public) or interested in a competitive program of study at a college.
  - \* **AP**
  - \* Why? AP is typically is more rigorous.

# **College Credit Plus Information Session**

# **What is the College Credit Plus Program?**

- The College Credit Plus Program was created by the Ohio Legislature to allow students in grades 7 -12 to earn college credits before graduating from high school.
- Students receive both high school and college credit simultaneously.
- Tuition, fees and textbooks related to the coursework are provided to the student free of charge.

# **Advantages for College-level Learning During High School:**

- Strengthening the high school curriculum and raising expectations for high school students.
- Reducing the total number of credits needed to be earned in college.
- Potentially reducing the time required for the baccalaureate and costs to parents, students, and taxpayers.
- Enriching the undergraduate college curriculum by lessening the need to retake some introductory courses, consequently allowing earlier entry into more advanced courses, facilitating double majors, or permitting additional electives.

# Potential College Credit Plus Expenses

- Students must pay tuition expenses to the school district for any course withdrawals or failed courses.
- Parking fees are the responsibility of the student if taking classes on the campus.

# **FAILURES & WITHDRAWALS**

- If a student fails (*a letter grade of “F”*) or withdraws from any course(s) after the drop period, it is the student’s financial obligation to reimburse their school district (or state for nonpublic or homeschooled students) the amount of state funds paid to the University to contribute to their tuition and fees for that course(s).

# Intent to Participate Deadlines

Students must submit an ***Intent to Participate Form*** to the high school by **April 1** to participate for the full upcoming academic year (Summer, Fall & Spring.)

*FORMS MUST BE SUBMITTED EACH YEAR.*

Students who did not submit an ***Intent to Participate Form*** to the high school by April 1 may submit a new form to the high school by **November 1** to participate in the spring semester only.

# How can students participate?

**Step 1**  
**Eligibility**

**Step 2**  
**Admission**

**Step 3**  
**Registration**

# How can students participate?

## Step 1: Eligibility

Students must be “eligible” for College Credit Plus participation based on an unweighted cumulative high school GPA or assessment exam scores

- Students with an unweighted cumulative **high school** GPA of at least a 3.00 qualify for eligibility.
- Students with an unweighted cumulative **high school** GPA of at least a 2.75 will be evaluated to determine if an assessment exam is required.

# Student Eligibility Assessment Exams

- Students' scores must show that they are ready for "college-level" courses in at least one subtest on an exam
- Exams include ACT, SAT, Accuplacer, ALEKS, PlaceU, or MapleSoft
  - Students will need to confirm exam requirements with the college
  - Colleges and universities will review students' scores using statewide standards

# How can students participate?

## Step 2: College Admission

- **Students must apply for admission**
  - *Please use a personal email address when applying*
- Students must meet admission requirements of the college
- Students must complete a “Permission Slip” that will be provided to the students with the college’s application for admission.
- Contact the college to learn about their requirements, processes, paperwork, and deadlines
- Colleges have the final decision on student admission
- If the student is admitted to the college, the college will send a “Questionnaire” that must be completed for enrollment.

# Mature Subject Matter

- A student eligible to participate in College Credit Plus and admitted to a college or university will enroll in actual college courses, which *may* include “mature subject matter” as defined in Ohio Revised Code 3365.035.
- The subject matter of a course enrolled in under the college credit plus program may include mature subject matter or materials, including those of a graphic, explicit, violent, or sexual nature, that will not be modified based upon college credit plus enrollee participation regardless of where course instruction occurs.
- Students and parents are required to sign a permission slip acknowledging they understand that college courses may include mature subject matter.

# How can students participate?

## Step 3: Course Registration

- If the student is considered eligible and has been admitted to the college, then:
  - The college will discuss course options with the student, based on assessment scores, prerequisites, and other requirements
  - Students may be required to complete an orientation and meet with a college advisor in order to enroll in classes

# Allowable Courses

**Students may only enroll in “Level I” courses within the First 15 Credits**

## **Level I Allowable Courses Include:**

- Transferable courses: Ohio Transfer 36 (OT36), Transfer Assurance Guide (TAG) or Career-Technical Assurance Guide (CTAG)
- Courses in computer science, information technology, anatomy, physiology, or foreign language, including American Sign Language

***Most Level I courses are part of the General Education Program at The University of Akron.***

**Level II** - Any other college course that is not a Level I course

*Exceptions to the “First 15” Rule may be made if the student wishes to continue with course in the same subject or tests directly into Level II course. Students who have attained the required scores on AP or IB course examinations may count the course toward the First 15.*

# Non-Allowable Courses

- One-on-one private instruction courses such as Music Lessons
- Physical Education courses
- Remedial courses (non-credit, developmental courses such as Basic Writing or Fundamentals of Math)

Students can choose to pay for Music Lessons, but it is up to their high school to determine if the courses will count for high school credit. Students cannot pay to take remedial courses.

# Class Selection

College Credit Plus students may take a wide variety of university classes, but many take **General Education** or core classes which also fulfill high school graduation requirements. Most core classes meet the “Level I” allowable course rule. Students must meet necessary placement and/or prerequisite requirements.

Classes have included:

- Government & Politics in the U.S.
- Economics
- English Composition
- Sciences
- Foreign Languages
- Psychology
- Sociology
- Speech
- Mathematics

# Online courses

- Most online classes are **asynchronous**, meaning they do not meet on specific days and times. However, there will be specific due dates and deadlines for assignments, quizzes and tests.
- **Online courses are a significant time commitment!**
  - A 3-credit online course requires at least 3 hours of coursework per week, but for many classes a student may need to spend 6-9 hours per week.
  - That time is in addition to all other obligations – school, sports, band, work, etc.
- Students must reach out directly to professors if they have questions or need clarification.

# Differences Between High School & College

## Tests & Grades

- **High School:** Tests are sometimes given weekly or at the end of the chapter
- Information provided mostly in-class. Out-of-class research is minimal
- **College:** Tests are generally fewer in number and cover more material
- Less homework assignments which will be used to determine final grades

## Study Time

- High School: Required homework ranges between 1 to 3 hours per day
- College: Standard rule of 2 to 3 hours of homework for every hour spent in class (3 to 5 hours per day)

# Differences Between High School & College

## Role of Parents

- High School: Parents are strong advocates working closely with teachers and counselors
- College: Parent serves as a mentor and support for the student; the college views the student as independent decision-maker
- College: The Family Education Rights and Privacy Act (FERPA) protects student education records

## Accommodations

- High School: Parents and students work with high school staff to determine what assistance or accommodations can be made for students with IEPs or 504 plans.
- College: Students must work directly with college staff to determine if accommodations are needed. IEPs and 504 plans may or may not be included in the discussions.

# What does it mean to be “college-ready”?

Being “college-ready” is more than just being academically ready

- Consider emotional and social transition and college expectations
- Consider time management and organizational skills

# Grades are Applied to High School Transcripts

The grades you earn in the college courses will be recorded on your college transcript and your high school transcript.

The grades may satisfy high school required or elective classes.

College courses must be weighted equally to the greatest weight of Advanced Placement, International Baccalaureate or honors classes, in the same subject area.

# **Probation and Dismissal**

Students must achieve a minimum 2.0 GPA to remain in “Good Academic Standing”.

Students will be placed on Academic Probation if the GPA falls below a 2.0 after their first semester, or if they withdraw from two or more courses.

Students on probation may enroll in no more than one course in the subsequent semester and cannot take courses in the same subject area that they earned D or F grades.

Students are eligible for dismissal if the GPA remains below a 2.0 for two consecutive semesters.

# What are the consequences of underperforming?

## **After HS Graduation:**

- Grades earned in CCP will remain on students' college transcripts permanently
- If students fail or withdraw often, future financial aid may be also impacted negatively
  - Satisfactory Academic Progress (SAP) is a requirement for financial aid
  - Standards vary by institution

# Athletic Eligibility

## Student athletes should:

- Learn the Ohio High School Athletic Association (OHSAA) requirements
- Summer term CCP courses cannot be used to bring a student into compliance with the OHSAA requirements for interscholastic athletic participation

# What are support services available for students?

- **Students receive support from both the HS and College:**
- High school counselors continue to provide assistance to all College Credit Plus students
- College advisors provide course selection assistance
- Colleges provide academic supports to CCP students such as tutoring, library access, advising, etc.'
- Accommodations in high school for an IEP or 504 plan do not automatically apply to college classes.  
Students must register with an accessibility office at the college to be assessed for accommodations in college classes.

# **CCP Credit Limit**

The maximum number of college credits that can be taken in a school year are 30 (including summer, fall & spring.)

---

Students may pay to take more than 30 credits.

---

Students can earn up to 120 college credit hours while in the program.

A blurred background image showing students in a classroom setting, with hands and arms visible as they work at desks.

**A SEMESTER COLLEGE COURSE OF 3 OR MORE CREDITS  
COUNTS AS A ONE-YEAR HIGH SCHOOL CLASS.**

**Ex. English Composition 111 (3 credits) fulfills  
one full credit of high school English.**

**College courses worth less than 3 college credits are  
divided by 3 to determine equivalent high school credits.**

# Sample Schedule

School Name	Course	Duration	HS Credits	College Credit Equivalency
Bayside HS	Algebra II	All Year	1	3
Bayside HS	Chemistry	All Year	1	3
Bayside HS	American History	All Year	1	3
Bayside HS	Spanish 3	All Year	1	3
Bayside HS	Band	All Year	1	3
The University of Akron	English Composition I	Fall	1	3
The University of Akron	Intro to Public Speaking	Fall	1	3
The University of Akron	English Composition II	Spring	1	3
The University of Akron	Intro to Psychology	Spring	1	3
				Total Credits = 27

## EXAMPLE:

Student is enrolled in high school credits

$$5 \times 3 = 15$$

$$30 - 15 = 15$$

Student is eligible to take 15 college credit hours during the academic year  
(summer, fall & spring)

# Options after High School

- Always remember that your participation in College Credit Plus is the start of your college transcript.
- Even if you plan continue at the same institution after graduation, you must reapply in your senior year.
  - The state universities and community colleges in Ohio will still consider you a new freshman so you can be considered for scholarships selective opportunities such as the Honors Colleges.

# Applying to Other Colleges and Universities

- All subsequent colleges/universities will require an official copy of your college transcript when you apply.

## Transferability vs. Applicability

- Although credits taken will transfer within the state university system of Ohio, the receiving institution will ultimately determine how the credits apply.
- You can visit the Ohio Department of Higher Education website to learn how your credits may transfer within the University System of Ohio: **<https://transfercredit.ohio.gov/students>**

## Students

### Resources For You

#### Adult

I am entering or returning to college after time away from school and want to earn college credit for my past learning or work experience.

#### Career-Technical

I have completed career-technical coursework in high school or at an Ohio Technical Center or have earned industry-recognized credentials.

#### College

I want to transfer credit from one college or university to another.

#### High School

I have earned AP credit or have taken career-technical coursework in high school that may qualify for college credit.

### Degree Planning Tools

#### Credit Transfer Tool

Discover how your past learning, military, and work experiences will qualify you for credit at Ohio's public colleges and universities through our statewide transfer initiatives.

#### Ohio Guaranteed Transfer Pathways Tool

Find the best pathway to the completion of your degree and the launching of a successful career. This tool will help you create a plan to begin your college education at one institution and finish it at another.

#### Transferology

Discover how your coursework and learning experiences will transfer to private and public colleges and universities in Ohio and beyond. This tool features course equivalencies not covered by statewide transfer initiatives.

# CCP Admission Requirements

3.00 cumulative unweighted **high school** GPA

OR

Obtain at least one remediation-free score on the ACT or SAT as determined by the Ohio Department of Higher Education:

- *ACT English of 18, ACT Reading of 22 or ACT Math of 22.*
- *SAT Evidence-based Reading & Writing of 480 or SAT Math of 530.*

Students with at least a 2.75 cumulative unweighted **high school** GPA will be evaluated by the Office of Admissions to determine if ACT or SAT scores are required.

7<sup>th</sup> and 8<sup>th</sup> grade applicants without an established high school GPA must take the ACT or SAT.

*Applicants admitted without test scores, or applicants with test scores who do not automatically place into college-level courses will be required to complete placement testing through the University.*

# How to Apply

- Complete an Undergraduate Admission Application
- Submit school transcripts
- Print and Submit the Signature Page & Permission Slip
- Submit ACT or SAT scores (*optional for applicants with a 3.0 cumulative unweighted high school GPA*)
- The summer/fall application deadline is **April 15**
- The spring application deadline is **October 15**

CCP Website: [www.uakron.edu/ccp](http://www.uakron.edu/ccp)

**Mr. Richard Larkin**  
**Tri-C**

# Getting Started as a CCP Student

*(Preferred Tri-C deadline: April 15)*

- Intent to Participate form due by April 1 to high school counselor (required by the state)
- Complete online Tri-C CCP application and CCP Mature Content permission slip
- Submit transcript or qualifying ACT/SAT test scores to determine eligibility
  - Depending on GPA and grade level, Tri-C placement test may be required

# CCP Registration Process

- Receive decision letter and registration instructions via email
- Submit Mature Content questionnaire
- Meet with school guidance counselor to discuss courses you will take
- Submit Tri-C's authorization to attend form
- Meet with Tri-C Counselor to choose courses that will fulfill degree requirements
- Register for courses
- Attend a College Credit Plus Orientation
