

## Principal's Message

Dear Community,

I would like to take this opportunity to welcome you to the 21-22 school year and to Garfield Elementary School. We have some exciting plans for the year and it is going to be the best yet!

At Garfield, our ultimate goal is to improve each day, ultimately leading to high achieving and successful students.

We believe that:

1. All students can learn.
2. We are preparing our students to be the best version of themselves, both now and in the future.
3. Our students deserve equitable opportunities for learning in a safe, caring and respectful environment.
4. Teaching about emotions and mindfulness will help our students learn effectively.
5. We value our students as leaders.

We share the motto, "I better myself, I better my school, I better my world" to help students and staff remember why we are working so hard toward achieving our goals.

Garfield Elementary is a special place to be. Please join us in partnering together for your child's success. Together, our students can achieve anything.

Yours in Education,  
Leah Ann Childers
