Harding High School Hires New Head Football Coach

(Marion, OH) Marion City Schools is pleased to announce that Charles Williamson has been selected as the next Harding High School Football Head Coach.

Williamson has been coaching football at the high school level since 1998 serving in a number of coaching capacities around the state such as defensive backs and quarterback coach, offensive coordinator and two head coaching positions at Pleasant View and most recently Washington Court House High School for the last six years.

“The future is very bright for Marion Harding,” said Williamson. “My expectations are high for this team and because of that, we expect to be an elite program moving forward.”

The head coaching vacancy was handled by a committee composed of administration, coaches, teachers, a community member and students.

Williamson was approved by the Marion City School Board on January 23, and will begin working with the team this spring.

About Marion City Schools

At Marion City Schools, we want to inspire a community of achievement. We offer innovative experiences, educational options and learning programs not available in surrounding school districts. We search for ways to prepare students for not only academic success but success in college and careers as well. Our Four Pillars follow four distinct themes including Leadership, Learning, Literacy and Legacy. We want our students to leave high school with not only their diploma, but also acceptance into a two or four-year college, an adult training program, the military, or a high-paying, in-demand job.
