

Harding's 7th Annual Prexy Signing Day

On May 14, Harding High School's 7th Annual Prexy Signing Day saw 127 graduating seniors commit to either enrollment, enlistment or employment after graduation.

Students were announced in groups by college, military branches or employers and walked out to cheers from their families and staff.

"Students, this is a celebration of the legacy you have established for yourself throughout your Marion City Schools experience," said Superintendent Ron Iarussi. "What you've learned during that time has prepared you for this day and you should be very proud of yourselves today. It's time for you to go out into the world, and always remember that you are a prexy."

All students recognized during signing committed to a two or four-year college, the military, a career pursuit, a high-paying in-demand job or internship.

“Every student here today has challenged themselves to meet this goal and invested their time and efforts, putting their future first before many other life events,” said Harding Principal Jennifer Musbach-Wellman. “Those sacrifices that you have made will pay off today and forever in your future.”

Two Harding alumni also spoke at the event, 2018 graduate, Marlena Stimson, and 2017 graduate, Chloe Reidlinger. The alumni each offered poignant remarks on their own journeys from Prexy Signing Day to life after high school, giving sound advice for embracing the changes and challenges ahead in school and the workforce.

At the end of the event, students declared their commitment and autographed their signing day certificate, cementing one legacy and beginning another.
