

Principal's Message

Welcome to George Washington Elementary! My name is Michelle Howard and I am the new building principal here at GW. This is my seventh year with Marion City Schools and the start of my eighteenth year in education. My husband and I reside within Marion and we have two children who attend Marion City Schools. I am quite excited to be the next principal of George Washington!

At George Washington, we are GW Proud! Being GW Proud means that students are responsible, respectful, kind and that they are here to work and to learn. We have a very active staff as well as our PTO (Parent/Teacher Organization.) At GW, we care about both the academic and the social/emotional needs of all of our students. As a parent, I appreciate communication, so every Sunday at 3pm I send out a one call that will contain important information about our school and our district. I also tend to send out a quarterly newsletter so be on the lookout for those!

I would like to WELCOME all of our students back to GW! I am looking forward to the start of another school year. Parents and Guardians, please feel free to contact our Main Office at 740-223-3883 with any questions that you may have. Thank you for your help to Inspire a Community of Achievement! #GW Proud.
