

Marion City Schools has launched a mobile app to help keep parents and students informed about the latest school news.

Parents and students can download the free "Marion City Schools" app in the Apple App Store or Google Play. Once in the app, users can customize what they see by following a specific school. We suggest that users click on the "My Schools" tab and add/follow Marion City Schools for general updates as well as the school building of their student(s).

The free app includes the district directory, calendar, lunch menus, quick links, documents and more. App users will also receive push notifications with important and timely information such as school closures and delays. Selecting the "My Alerts" tab will let users customize push notifications for various items.

Download the app using the following steps:

1. On your smartphone, go to the Apple App Store or Google Play
2. Search for "Marion City Schools"
3. Select our Marion City Schools app for free download
