Marion City Schools Pass Renewal Levy

(Marion, OH) Voters turned out to support the Marion City Schools five-year renewal levy that was on the Nov. 2 ballot.

“We are incredibly grateful that our community voted to support this renewal levy, especially to those who volunteered countless hours to campaign on behalf of the school district,” said Superintendent Ron Iarussi. “The continued support by Marion families of this levy that has been in effect since 1989 is incredible.”

Voters supported the renewal levy with over 58% of the vote, based upon final, unofficial results from the Marion County Board of Elections.

“The passage of this renewal levy will generate \$2 million per year to maintain our operating costs, including teachers and staff, technology, supplies, maintenance and utilities,” said Treasurer Veronica Reinhart. “Marion City Schools remains committed to offering a great educational experience for students at a good value to residents.”

About Marion City Schools

At Marion City Schools, we want to inspire a community of achievement. We offer innovative experiences, educational options and learning programs not available in surrounding school districts. We search for ways to prepare students for not only academic success but success in college and careers as well. Our Four Pillars follow four distinct themes including Leadership, Learning, Literacy and Legacy. We want our students to leave high school with not only their diploma, but also acceptance into a two or four-year college, an adult training program, the military, or a high-paying, in-demand job.
