

Principal's Message

Dear McKinley Families,

It is my pleasure to welcome you to McKinley Elementary and to the 2021-22 school year. I am so excited to be here as your new principal. Our staff has been working hard this summer to prepare everything for this new year! We are looking forward to seeing your smiling faces and remember: Come to school to learn, treat people with respect, and follow the directions of our teachers and staff.

At McKinley Elementary I welcome input from our parents so that we can better make well-rounded decisions. When our parents and students are informed and involved in the educational process we can better work together. There are many opportunities for this to happen this year. Our PTA has a strong history of volunteering and support. I encourage all families to find out how you can get involved and make a difference in our school today!

As the principal of McKinley Elementary I believe in being open, honest, approachable, and communicative about your child's education. When we, the teachers, staff, parents, and students all work together to form a cohesive front our children will be successful. We must ask ourselves: What is in the best interest of our children? Then when we answer that question honestly, we will naturally have the best possible school! That is my pledge: To make McKinley the best school it can be.

Please join my efforts this year as we re-establish McKinley Elementary and make this year the rebirth of Prexie Pride!

Sincerely,

Julie E. Kenney, Principal
