

I am a current 12<sup>th</sup> grade student who was not able to take the SAT with essay during the SAT School Day in the spring of the 2019-2020 school year.

**I choose to take the SAT with essay free of charge on October 14, 2020 at my home school.** Full day students at the Cabell County Career Technical Center will take the SAT at the CCCTC. Half day career center students will take the test at their home schools of either Cabell Midland High School or Huntington High School. Students enrolled at Crossroads Academy will take the SAT at Crossroads Academy.

Please return this form to the counselor at your home school by **September 11, 2020**. See your counselor with any questions or concerns.
