Strategic Goals

Strategic Goals with Objectives

Student Success

Ensure all students are well rounded and emotionally and academically prepared for success in high school.

1. Further develop and examine the effectiveness of core curriculum, interventions, and supports for all student groups.
2. Ensure all students have access to curriculum and instruction that matches their skills and inspires growth.
3. Support the whole child including the development of social/emotional and life skills.
4. Evaluate program development and innovations including ELL, Special Education, At-Risk students and optimal length and start of the school day..
5. Explore accessibility and expansion of extra-curricular and foreign language experiences.

Teaching, Learning & Innovation

Encourage a learning environment that emphasizes excellence and retains high-quality staff.

1. Continue to seek and retain high quality professional staff and leaders.
2. Identify gaps in student learning and develop instructional approaches to meet the needs of all students.
3. Develop and communicate an aligned curricular map of expected learning standards.
4. Provide job-embedded professional development aligned to 21st Century learner needs.
5. Support positive and collaborative culture that enhances professional learning and practice.

Family and Community Partnership

Actively engage and communicate with all families to foster collaborative relationships that benefit student learning and understanding of district priorities.

1. Use relevant, on-going communication tools and methods to engage parents and community.
2. Assist parents with understanding student learning standards, expectations and district priorities.
3. Expand community partnerships.
4. Support positive and collaborative community culture that enhances connections between families.
5. Develop a community relations and engagement plan targeted to future school district needs and priorities.

Sustainable Resources

Advance effective use of resources to support safe, learner ready facilities and to maximize student learning.

1. Develop a long-range financial plan that includes instruction, professional growth, technology, and facilities.
2. Provide spaces that support collaborative learning opportunities.
3. Ensure safe and secure learning environments in collaboration with first responders.
4. Engage stakeholders in the development of effective use of resources.
5. Explore shared service opportunities, cost-saving consortiums and ventures.
