

NEED TO ACCELERATE STUDENT SUMMER LEARNING?

Are you planning for summer tutoring and need more staff? Let Tutor Ohio Kids help you connect with tutors!

Tutor Ohio Kids is a statewide tutoring program that provides your school with paid and volunteer tutors to give students an academic boost in reading, math, science, or social studies.

Partner with us to build a tutoring program that works best for your school. We will provide guidance and best practices for creating a high-impact program. You choose when, where, and how tutoring happens, including this summer; even which tutors to hire.

About Our Tutors

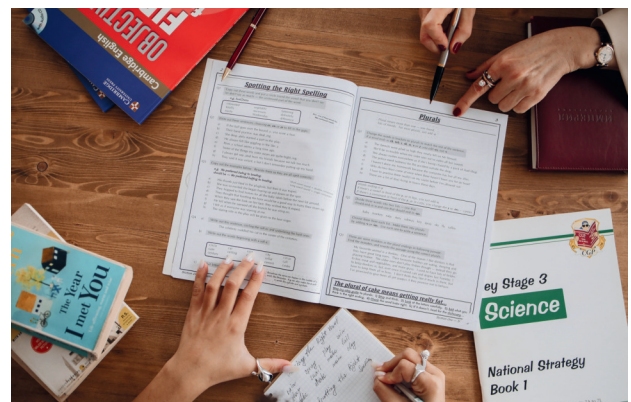

- 208 people are in the process of onboarding.
- 146 people have completed the Onboarding and Orientation (application process, background check, registered as a tutor with ODEW, and mandated reporter training) & are ready for tutoring.
- 78% have a Bachelor's degree or higher
- 67% have a teaching or a substitute license

Summer Tutoring Can Support:

- Third grade reading
- Middle school students preparing for Algebra
- High school students in credit recovery or course completion

What Does it Cost?

Costs to districts is \$23.13/hr per tutor and tutors will be paid \$20/hr for their service.
