JPS Families,

This has been a tremendous year of growth for our District. We were able to deepen relationships, expand opportunities for students, and reconnect with our community. Our students, staff, and families exemplified the character traits of the Wildcat Way both at school and in the community. The number of lives our District impacts is humbling, and we're proud of the opportunity we have to help shape the futures of these incredible young students.

Our administrators, staff, and community joined together to start laying the foundation for a five year strategic vision with the goals of *unlocking* character driven culture, *strengthening* student learning, *investing* in people, *engaging* community, and *cultivating* a culture of continuous improvement.

It's been an honor to watch the steps taken this school year by students and staff as they experienced new opportunities and leadership. While we remain reflective of all that has been done, we are excited for what lies ahead and for all that our students will become.

*It's been a great year to be a Wildcat!*

Dr. Brandon W. Graham  
Superintendent

1st Year with  
1-to-1 Student  
Devices

Launched  
Spanish  
Phonics Pilot
