

BURSLEY ELEMENTARY

5TH GRADE SUPPLY LISTS

We will have a fun-filled and busy year planned and we can't wait to share it with you! Organization and responsibility will be a primary focus of our year together. To begin this process, we have developed a list of supplies that will benefit students when school starts.

To provide the best organizational support possible, we need some consistency in our students' supplies. Elementary students no longer have desks, so a strong system for organizing their belongings is essential.

For this reason, we will spend a lot of time learning how to stay organized, a key component to finding school success.
