

EL PUENTE ELEMENTARY

6TH GRADE SUPPLY LISTS

We will have a fun-filled and busy year in 6th grade, and can't wait to share it with you! ORGANIZATION and RESPONSIBILITY will be a primary focus of our year together. Instead of desks, sixth-graders will store their school supplies, textbooks and novels in their locker. For this reason, it is that students learn how to stay organized, a key component to getting to class both on-time and prepared for learning. We will organize everything together the first week of school, putting "essential daily supplies" in the trapper keeper and "back stock" in lockers. No need to organize anything beforehand. Please label whatever possible!
