## Mathematics Awareness Month

## April Breakfast

April is Mathematics and Statistics Awareness Month. Since the start of Mathematics Awareness Week back in 1986, the aim has been to increase the level of interest in the study of mathematics and increase the level of public understanding and appreciation for the wide range of applications for mathematics in fields as diverse as manufacturing, business and medicine. However, sometimes we overlook a daily activity that can help students not only advance their math skills but also establish

life skills. That activity is cooking. Cooking with recipes engages reading skills, comprehension and math. Recipes might include fractions, measuring and portioning—many of the basic skills students need to excel in math. Consider encouraging your child to select a few recipes he or she would like to make. Then, take some extra time to have fun and appreciate together the opportunity cooking brings to build a greater understanding and appreciation for mathematics.

Sodexo is committed to promoting healthier food choices and encourages students and families to use the USDA MyPlate to build healthy and balanced meals.

### Fresh Pick Recipe

#### GREEN SALAD WITH CANTELOUPE

- 4 C Romaine (1" slice)
- 2 C Canteloupe (medium dice)
- ½ Cucumber (peeled/sliced thin in rounds)
- ¼ C onion (sweet/sliced thin)
- 1 T Lime juice
- 2 T Oil (light)
- ¼ t Honey
- Salt and pepper to taste
- 1 ½ T fresh mint or parsley for garnish

1. Prepare ingredients as directed.
2. Place the lettuce leaves on a medium platter.
3. In medium bowl add canteloupe, cucumber, and onion.
4. In small bowl mix lime juice, oil and honey.
5. Pour dressing on the cantaloupe mixture.
6. Add salt and pepper to taste. Spoon canteloupe mixture onto the lettuce. Garnish with mint or parsley.

### What is a Reimbursable Meal?

Students must select at least 3 of the 5 food groups, 1 of which MUST be a fruit or vegetable.
