

Adult Career Center

Be an LCJVS
Success!

About Lorain County JVS

Founded in 1971, the Lorain County JVS offers accredited career-technical education for high school students in grades 9-12 and adult learners. Through our programs, our students gain the skills, knowledge, and training needed to be a success in their careers.

Located on a 100-acre campus in Oberlin, Ohio, Lorain County JVS is one of the largest career tech schools in the state. We serve high school students from 13 school districts: Amherst, Avon, Avon Lake, Clearview, Columbia, Elyria, Firelands, Keystone, Midview, North Ridgeville, Oberlin, Sheffield-Sheffield Lake and Wellington, along with adult learners from surrounding communities.

Mission Statement

We create opportunities for students to achieve success in their careers.

Vision Statement

By 2023, the Lorain County JVS will be the model Career and Technical Education Center in the State of Ohio.

Core Beliefs

- We believe in the engagement of all stakeholders.
- We believe in providing pathways of success for all students.
- We believe in a rigorous and relevant curriculum that increases achievement.
- We believe in recruiting, developing and retaining highly qualified employees.
- We believe we are all responsible for the success of students.
- We believe in developing and sustaining partnerships.

Career Development Programs

- Offer students education and training for the purpose of job entry and job advancement.
- Include placement assistance and employability skills training.
- Provide opportunities for trade certifications and credentials in a variety of skilled areas.
- Allow students to apply for Financial Aid, such as Federal Pell Grants and FAFSA (Free Application for Federal Student Aid).
- Require a student to take a WorkKeys Assessment and attain a program specific passing score.

- Automotive Service Technician
- Cosmetology
- Dental Assisting/Radiography
- Esthetician
- Manicurists
- Phlebotomy Technician
- Precision Machine Technology
- State Tested Nurse Aide
- Welding/Fabrication

Financial
Aid
Available

Automotive Service Technician

Learn how to diagnose and treat Automatic Transmissions/Transaxle, Brakes, Engine Repairs, Manual Drive Train and Axles, Electrical/Electronic Systems, Heating and Air Conditioning, Engine Performance and Advanced Auto Engine Performance. A combination of classroom and hands-on training prepares you for the Automotive Service Excellence (ASE) testing certification and for employment in the repair field. Additional certifications available for additional cost.

**Visit www.lcjvs.com/programs for current program dates and times.*

Cosmetology

Learn the art and science of beautifying hair, skin, and nails in a state-of-the-art working salon! The instructor stays with students during their classroom and hands-on instruction to give the guidance and skills needed for a successful career. Program includes training on hair care, cutting, styling, skin care, manicuring and pedicuring services, sanitation and bacteriology, reception and communication skills, and salon operation. Upon completion, students are prepared for the state board exam and a career as a hair stylist, nail technician, make-up artist, esthetician, or salon owner.

Financial
Aid
Available

Dental Assisting/ Radiography

This program prepares students for a chair-side position in a dental office. The course introduces dental anatomy, terminology, dental specialties, chair-side assisting, laboratory procedures, infection control, sterilization procedures, dental instruments, and mixing dental materials. The course also offers a 7-hour initial training course for Dental Assistant Radiographer. This is the first step to obtaining a Dental Assistant Radiographer's certificate in Ohio. A 24-hour unpaid internship is included in the program. BLS Healthcare provider CPR and First Aid and Safety included. Students must have the Hepatitis B vaccination series started prior to enrollment.

**Visit www.lcjvs.com/programs for current program dates and times.*

Esthetician

Financial
Aid
Available

This program trains students to perform skin analysis, facials, waxing, and body treatments including relaxation massage, and use of electrical machines. We cover make-up application and salon management, including retail sales, inventory control, and employee maintenance. We also focus on Ohio State Board of Cosmetology rules and regulations, public health and safety, and sanitation. Students are prepared to take the state board exam for their Esthetician License upon completion of the program. All of our students receive OSHA certification and CPR training. Career opportunities include working in a salon, spas, dermatologist, cosmetic surgeons' offices, skincare clinics, resorts, and cruise ships.

**Visit www.lcjvs.com/programs for current program dates and times.*

Manicurists

In this program, students learn how to perform hand and arm massages; foot and lower leg massages; the art of manicuring and pedicuring; artificial nail enhancements; lacquer and gel polish application; and creative nail art. Manicurist skills include how to provide client consultations; nail, hand, and feet analysis; nail skincare; products; ingredients; and proper selection of products. Students perfect their skills in our student-operated salon overseen by our experienced instructors, allowing them to work directly with clients, schedule appointments, learn about inventory control, and develop retail and marketing skills. Successful students receive a career technical certificate and are eligible to take their state board exam.

**Visit www.lcjvs.com/programs for current program dates and times.*

Phlebotomy Technician

Phlebotomy technicians draw quality blood samples from patients or blood donors and prepare those specimens for medical testing. Many patients have phobias when it comes to blood and needles, and giving blood can be the most difficult part of an office visit. Phlebotomy technicians create an atmosphere of trust and confidence with patients while drawing blood specimens in a skillful, safe, and reliable manner. Entry-level job opportunities are available at hospitals, outpatient clinics, or physicians' labs upon completion of this program and the National Healthcare Association (NHA) certification exam. The program includes training on anatomy and physiology; medical terminology; CPR; and a four-week, non-paid, supervised externship that runs Monday to Friday, 8 a.m. to 5 p.m.

Financial
Aid
Available

Precision Machine Technology

This program starts you toward a rewarding career in metalworking with the employer-preferred National Institute for Metalworking Skills (NIMS) certification. Our course provides hands-on experience with lathe, milling, swiss machining, blueprint reading, shop math, CNC, CNC programming, 3D printing, tooling, measuring, safety (10-hour OSHA card), and metallurgy. Students will be prepared to work on precision equipment and to read precision measuring instruments and blueprints.

**Visit www.lcjvs.com/programs for current program dates and times.*

State Tested Nurse Aide

Do you have a passion for helping people and a dedication to caring for others? State Tested Nurse Aides (STNA) work in both nursing homes and long-term care facilities. Our classes prepare students for entry-level positions in the healthcare field and are designed for students with or without previous medical experience. This course covers communication, safety, personal care, body mechanics, infection control, basic nursing, and restorative care. Students learn the latest trends and practices with a hands-on approach. Graduates of this course are eligible to take the Ohio STNA exam. Students are required to attend a mandatory group orientation session prior to the start of class.

**Visit www.lcjvs.com/programs for current program dates and times.*

Welding/Fabrication

Come train for this in-demand field! This program begins with an introduction to electric arc welding by running beads on flat, horizontal surfaces. Increase skills with further training using vertical and horizontal welds, gas tungsten arc welding (TIG), and gas metal arc welding (MIG) in all positions. Course includes training on safety fusion of metals, identification of electrodes, and equipment setup. With instructors' approval, students will take AWS qualification tests.

Adult Diploma Program (ADP)

GET YOUR HIGH SCHOOL DIPLOMA AND A NEW CAREER!

The Adult Diploma Program provides job training and a new pathway for adults who are serious about earning a high school diploma and industry credentials aligned to one of Ohio's in-demand careers. This program is free to those who qualify.

- Earn a certification(s) and a state of Ohio high school diploma.
- Receive extensive job training in selected industries.
- Must be 20+ years old and living in the state of Ohio.
- Must take the WorkKeys assessment and attain a program-specific score.

Yasmin Hamdi

2019 Adult Diploma Program graduate and completer of the Phlebotomy Technician program

"I loved the Adult Diploma Program. The fact that you get a career and your diploma was amazing. This program gave me the confidence to continue my schooling and I went to nursing school and I'm now an OR nurse!"

Jeremy Caraballo

2021 Adult Diploma Program graduate and completer of the State Tested Nurse Aide program

"I almost quit, but the JVS staff kept pushing me to continue. Now I've finally completed everything. I wanted to show my daughters that it is never too late to achieve your goals."

Meet some of our LCJVS Adult Career Center Alumni!

Grace Owens

Meet Grace Owens. Grace is a 2021 alumni of the LCJVS Welding/Fabrication course. While she was attending the welding program, she was hired by local company, Skylift Inc. After completion of the program, Grace was hired on full time and is now a Welder/Fabricator at Skylift Inc. in Lorain.

Steve Kilgore

Meet Steve Kilgore. Steve is a 2018 alumni and enjoyed his time at the Lorain County JVS Adult Career Center. "I know how to do a little work on vehicles, but nothing compared to what I learned over this six months. It opened my eyes to some different stuff."

Renee Gibson and Montavia Davila

Meet Renee Gibson. Renee is a 2021 LCJVS Adult Career Center STNA grad and Adult Diploma Program graduate. She currently works at the Cleveland Clinic Rehabilitation Center in Avon. Renee shares that her LCJVS program was awesome and the instructors were wonderful. "If I had to do it all over again, I would!"

Meet Montavia Davila. Montavia graduated from the LCJVS Adult Career Center Phlebotomy Technician program in 2018 and is an Adult Diploma Program graduate. She is currently a travel phlebotomist and loves every moment of it. Montavia shares she still tells people about LCJVS and the programs. "It is never too late. The program at LCJVS made my life better!"

Policies and Procedures

All policies and procedures regarding admission, transfer, withdrawal, refunds, and program completion requirements can be found at www.lcjvs.com/CurrentACCStudents.

The Lorain County JVS Adult Career Center is accessible to students with disabilities. Students with disabilities requiring accommodations should notify their instructor and contact the Student Services Coordinator to provide documentation of the disability. As required by Section 504 of the ADA, the LCJVS Adult Career Center will provide appropriate accommodations for the students with documented disabilities.

For some programs, accommodations are limited by the essential functions of the job for which the student is preparing. Our overall goal is to provide students with the skills and abilities to be prepared for entry into unsubsidized employment.

Admission Requirements

Admission to educational programs accredited by the Council on Occupational Education (COE) are open to students 18 years or older who hold a high school diploma or GED and are looking to enter or re-enter the workforce or start a new career.

These requirements may be waived if the student is enrolling in a specially designated program such as the Adult Diploma Program (ADP) or programs designed to enhance a high school students' credential attainment. All exceptions may require proper documentation and prior administrative approval.

Accreditation

The Lorain County JVS Adult Career Center Job and Career Development Programs are accredited by the Commission of the Council on Occupational Education, 7840 Roswell Road, Building 300, Suite 325, Atlanta, GA 30350, Telephone: 770.396.3898 / Fax: 770.396.3790, www.council.org
