

Adult Career Center

COSMETOLOGY

Overview of Program

Learn the art and science of beautifying hair, skin, and nails in a state-of-the-art working salon! The instructor stays with students during their classroom and hands-on instruction to give the guidance and skills needed for a successful career. Program includes training on hair care, cutting, styling, skin care, manicuring and pedicuring services, sanitation and bacteriology, reception and communication skills, and salon operation. Upon completion, students are prepared for the state board exam and a career as a hair stylist, nail technician, make-up artist, esthetician, or salon owner. This is a Career Development program that is approved by the Commission of the Council on Occupational Education (COE).
