

WANT TO EXPLORE WHAT PROGRAMS/COURSES WE ARE CURRENTLY OFFERING?

1. Go to our website registration portal: <https://careertech.lcjvs.net/wconnect/ace/home.htm>

The screenshot shows the top navigation bar with links for Registration FAQs, Contact Us, Log On, Sign Up, and a shopping cart icon showing \$0.00. The Lorain County JVS logo is prominently displayed, along with a Course Search bar and an Advanced Search link. Below the logo is the text 'Adult Career Center' and a grey header for 'Online Registration'. The main content area includes a welcome message, a 'Register Now!' button with a star icon, and a list of courses with available seats: 'Jun 11 Information Session for Culinary Arts', 'Jun 11 Information Session for Phlebotomy Technician', and 'Jun 15 Aromatherapy'. There are three main sections: 'Courses' with a list of filters (Program, Location, City/State, Instructor, All Courses), 'Students' with a login form (Email Address, Password, Forgot?, LOG ON) and a 'New? SIGN UP' button, and 'Instructors' with links for 'Rosters' and 'Teach for Us?'.

2. Click on Programs

This screenshot is identical to the previous one, but with a large orange arrow pointing from the 'Program' link in the 'View courses by:' list to the 'LOG ON' button in the 'Students' section.

3. You will then have the option to select whether you want to explore our Career Development Programs, Personal Enrichment Courses, or Special Interest Courses
