

# Customized Manufacturing Training for Your Workforce

The Lorain County JVS Adult Career Center offers short-term customized training for local businesses. Other than the cost of books and supplies, this training is at no cost to you, and can be delivered at your location or our campus - you choose!

- 10 and 30 hour OSHA
- Blueprint reading
- CNC Programming
- CNC Setup
- GD&T
- Robotics
- Shop Math
- Tooling

Don't see what you need? We can build training courses in a variety of areas that are 100% customized to your workforce.
