About Lorain County JVS

Founded in 1971, the Lorain County JVS offers accredited career-technical education for high school students in grades 9-12 and adult learners. Through our programs, our students gain the skills, knowledge, and training needed to be a success in their careers.

Located on a 100-acre campus in Oberlin, Ohio, Lorain County JVS is one of the largest career tech schools in the state. We serve high school students from 13 school districts: Amherst, Avon, Avon Lake, Clearview, Columbia, Elyria, Firelands, Keystone, Midview, North Ridgeville, Oberlin, Sheffield-Sheffield Lake and Wellington, along with adult learners from surrounding communities.

Career Development Programs

- Offer students education and training for the purpose of job entry and job advancement.
- Include placement assistance and employability skills training.
- Provide opportunities for trade certifications and credentials in a variety of skilled areas.
- May allow students to apply for Financial Aid, such as Federal Pell Grants, FAFSA (Free Application for Federal Student Aid), Ohio Means Jobs, VA (Veterans Affairs), and Scholarships.

Dental Assisting/ Radiography

This program prepares students for a chair-side position in a dental office. The course introduces dental anatomy, terminology, dental specialties, chair-side assisting, laboratory procedures, infection control, sterilization procedures, dental instruments, and mixing dental materials. The course also offers a 7-hour initial training course for Dental Assistant Radiographer. This is the first step to obtaining a Dental Assistant Radiographer's certificate in Ohio. A 24-hour unpaid internship is included in the program. BLS Healthcare provider CPR and First Aid and Safety included. Students must have the Hepatitis B vaccination series started prior to enrollment.

**Visit www.lcjvs.com/programs for current program dates and times.*

Emergency Medical Technician

This 150-hour course is based on the EMS educational standards and is required for certification as an EMT in Ohio. The curriculum prepares an individual to serve in ambulance services and fire departments.

Prerequisite: 18 years of age, high school diploma or GED, driver's license and not been convicted of, plead guilty to, or had judicial finding of guilty to crimes listed in OAC 4765-8-01. Accreditation #119.

20 hours of clinical time are in addition to the 150 hours of class curriculum.

**Visit www.lcjvs.com/programs for current program dates and times.*

Esthetician

Federal
Financial
Aid
Available

This program trains students to perform skin analysis, facials, waxing, and body treatments including relaxation massage, and use of electrical machines. We cover make-up application and salon management, including retail sales, inventory control, and employee maintenance. We also focus on Ohio State Board of Cosmetology rules and regulations, public health and safety, and sanitation. Students are prepared to take the state board exam for their Esthetician License upon completion of the program. All of our students receive OSHA certification and CPR training. Career opportunities include working in a salon, spas, dermatologist, cosmetic surgeons' offices, skincare clinics, resorts, and cruise ships.

**Visit www.lcjvs.com/programs for current program dates and times.*

Manicurists

In this program, students learn how to perform hand and arm massages; foot and lower leg massages; the art of manicuring and pedicuring; artificial nail enhancements; lacquer and gel polish application; and creative nail art. Manicurist skills include how to provide client consultations; nail, hand, and feet analysis; nail skincare; products; ingredients; and proper selection of products. Students perfect their skills in our student-operated salon overseen by our experienced instructors, allowing them to work directly with clients, schedule appointments, learn about inventory control, and develop retail and marketing skills. Successful students receive a career technical certificate and are eligible to take their state board exam.

**Visit www.lcjvs.com/programs for current program dates and times.*

Phlebotomy Technician

Phlebotomy technicians draw quality blood samples from patients or blood donors and prepare those specimens for medical testing. Many patients have phobias when it comes to blood and needles, and giving blood can be the most difficult part of an office visit. Phlebotomy technicians create an atmosphere of trust and confidence with patients while drawing blood specimens in a skillful, safe, and reliable manner. Entry-level job opportunities are available at hospitals, outpatient clinics, or physicians' labs upon completion of this program and the National Healthcare Association (NHA) certification exam. The program includes training on anatomy and physiology; medical terminology; CPR; and a four-week, non-paid, supervised externship that runs Monday to Friday, 8 a.m. to 5 p.m.

State Tested Nurse Aide

Do you have a passion for helping people and a dedication to caring for others? State Tested Nurse Aides (STNA) work in both nursing homes and long-term care facilities. Our classes prepare students for entry-level positions in the healthcare field and are designed for students with or without previous medical experience. This course covers communication, safety, personal care, body mechanics, infection control, basic nursing, and restorative care. Students learn the latest trends and practices with a hands-on approach. Graduates of this course are eligible to take the Ohio STNA exam. Students are required to attend a mandatory group orientation session prior to the start of class.

**Visit www.lcjvs.com/programs for current program dates and times.*

Welding/Fabrication

Come train for this in-demand field! This program begins with an introduction to electric arc welding by running beads on flat, horizontal surfaces. Increase skills with further training using vertical and horizontal welds, gas tungsten arc welding (TIG), and gas metal arc welding (MIG) in all positions. Course includes training on safety fusion of metals, identification of electrodes, and equipment setup. With instructors' approval, students will take AWS qualification tests.

Meet some of our LCJVS Adult Career Center Alumni!

Grace Owens

Meet Grace Owens. Grace is a 2021 alumni of the LCJVS Welding/Fabrication course. While she was attending the welding program, she was hired by local company, Skylift Inc. After completion of the program, Grace was hired on full time and is now a Welder/Fabricator at Skylift Inc. in Lorain.

Jeremy Caraballo

Meet Jeremy Caraballo. Jeremy is 2021 Adult Diploma Program graduate and completer of the State Tested Nurse Aide program. Jeremy shares how the staff at Lorain County JVS helped him achieve success. "I almost quit, but the staff at LCJVS kept pushing me to continue. I wanted to show my daughters that it is never too late to achieve your goals."

Renee Gibson and Montavia Davila

Meet Renee Gibson. Renee is a 2021 LCJVS Adult Career Center STNA grad and Adult Diploma Program graduate. She currently works at the Cleveland Clinic Rehabilitation Center in Avon. Renee shares that her LCJVS program was awesome and the instructors were wonderful. "If I had to do it all over again, I would!"

Meet Montavia Davila. Montavia graduated from the LCJVS Adult Career Center Phlebotomy Technician program in 2018 and is an Adult Diploma Program graduate. She is currently a travel phlebotomist and loves every moment of it. Montavia shares she still tells people about LCJVS and the programs. "It is never too late. The program at LCJVS made my life better!"

Policies and Procedures

All policies and procedures regarding admission, transfer, withdrawal, refunds, and program completion requirements can be found at www.lcjvs.com/CurrentACCStudents.

The Lorain County JVS Adult Career Center is accessible to students with disabilities. Students with disabilities requiring accommodations should notify their instructor and contact the Student Services Coordinator to provide documentation of the disability. As required by Section 504 of the ADA, the LCJVS Adult Career Center will provide appropriate accommodations for the students with documented disabilities.

For some programs, accommodations are limited by the essential functions of the job for which the student is preparing. Our overall goal is to provide students with the skills and abilities to be prepared for entry into unsubsidized employment.

Admission Requirements

Admission to educational programs accredited by the Council on Occupational Education (COE) are open to students 18 years or older who hold a high school diploma or GED and are looking to enter or re-enter the workforce or start a new career.

These requirements may be waived if the student is enrolling in a specially designated program such as the Adult Diploma Program (ADP) or programs designed to enhance a high school students' credential attainment. All exceptions may require proper documentation and prior administrative approval.

Accreditation

The Lorain County JVS Adult Career Center Job and Career Development Programs are accredited by the Commission of the Council on Occupational Education, 7840 Roswell Road, Building 300, Suite 325, Atlanta, GA 30350, Telephone: 770.396.3898 / Fax: 770.396.3790, www.council.org
