Auto Body Repair & Painting

Calling all car enthusiasts! Do you want to learn how to paint and restore cars? The Auto Body Repair and Painting class may be perfect for you!

The class covers the basics to restore a car's finish whether it is a newer car that needs detailed or an older car that needs a complete refinish.

Learn how to:

- Fix small dings and dents
- Fix small rust areas
- Remove parts like headlamps, side moldings, and door handles
- Mix and spray corrosion protection, primers, sealers, base coats, and clear coats
- Wet sanding and buffing techniques

Class runs on Tuesday and Thursday evenings from 5:00pm - 9:00pm

This class is geared toward the serious hobbyist who is looking to do their own auto body work. It is not designed to be a job training class.
