

Anthony Wayne Local Schools

Anthony Wayne Local Schools empowers students to be future ready!

Central Administrative Office

Friday, March 3, 2023

Anthony Wayne Families,

Spring is just around the corner and it won't be long until we enter the testing season. [Please check the District calendar](#) and watch your school communications for testing dates. Avoid scheduling appointments and travel during this time, if at all possible.

District Facilities Survey Update

Thank you to the staff, families, community members and students who completed the recent District Facilities Survey. Your feedback is helping the District focus its research efforts on the future facility options preferred by our community. When the District has a better picture of the details surrounding the preferred updates to our buildings and grounds, we will once again need your input on the available choices. Through this process, a Facilities Master Plan will be developed. [We will also share information on the District website as it becomes available.](#)

Board of Education Meeting: Monday, March 6

The Anthony Wayne Board of Education will meet at 6:00 p.m. at the Central Administrative Office. [Meetings are also streamed live on YouTube for those who cannot attend in person.](#)

Kindergarten Registration is Open

Welcome Class of 2036! Parents of children who will be five years old by September 30 and live within the Anthony Wayne Schools district are encouraged to begin the enrollment process for kindergarten. The link to the online registration system, important dates and information about required documentation is available at www.AnthonyWayneSchools.org/Kindergarten.

Employment Opportunities

We are looking for a few new Generals! There are opportunities for individuals looking to serve the District as bus drivers, food service workers, custodians, intervention specialists, teachers and substitutes. Please visit www.AnthonyWayneSchools.org/HumanResources to see all available positions.

We are lucky to have such an engaged and involved school community! Thank you for all you do to support our staff and students.

Sincerely,

Dr. Jim Fritz, *Superintendent*
